2012 Budget & Levy Training

Description: This training is a post-legislative refresher course dealing with the budget and levy process. The morning session is geared towards taxing districts and counties, and the afternoon session is for county personnel only.

During the morning session we will review the current process and new legislative changes. The morning session will finish with case problems and a review of the current L-2 form.

The afternoon session will start with a review of the questions and concerns brought up during the morning session. Other budget and levy forms will also be reviewed. **A calculator is required.**

Instructors: Alan Dornfest and Gary Houde
