_____)

[Redacted] (petitioner), a limited liability partnership, protests the Notice of Deficiency Determination issued by the auditors for the Idaho State Tax Commission dated December 12, 2002 addressing the income and deductions of the petitioner for 1999. No deficiency was asserted for Idaho income tax, penalty, or interest, since the income of the petitioner flows through to the owners.

The auditors reviewed the income and expenses reported by the petitioner. They made adjustments totaling \$3,774 to various selected expenses claimed by the petitioner. They also decreased the amount of depreciation claimed by the petitioner by \$6,222.

The petitioner submitted additional information reducing the adjustment to the selected expenses from \$3,774 to \$3,568. They also submitted additional material regarding the adjustment to the depreciation claimed. This material caused the adjustment to depreciation to be eliminated.

WHEREFORE, the Notice of Deficiency Determination dated December 12, 2002, is hereby MODIFIED, and as so modified is APPROVED, AFFIRMED, and MADE FINAL.

An explanation of the petitioner's right to appeal this decision is enclosed with this decision.
