On July 28, 2006, the staff of the Sales, Use, and Miscellaneous Tax Audit Bureau (Bureau) of the Idaho State Tax Commission (Commission) issued a Notice of Deficiency Determination to [Redacted] (taxpayer), proposing a penalty for the period July 1, 2006, through June 30, 2007, in the total amount of \$250.

On August 17, 2006, the Commission received a timely appeal and petition for redetermination. The taxpayer did not respond to the Commission's hearing rights letter sent August 25, 2006, and has provided nothing further for the Commission to consider. The Commission, having reviewed the file, hereby issues its decision upholding the penalty.

Owners and operators of coin, currency, and token-operated amusement devices are required to purchase and display current decals by July 1 of each year. The taxpayer purchased five decals and failed to display them by the time the Commission conducted an audit. The taxpayer claimed forgetfulness, stating he was distracted by personal issues.

There is a penalty provision in the tax code for failure to display the decals.

**AMUSEMENT DEVICES.** -- (a) For purposes of this section the term "amusement device" shall mean all coin, currency, or token operated machines and devices which are used for amusement including, but not limited to, game machines, pool tables, juke boxes, electronic games and similar devices.

(b) In lieu of the imposition of sales tax upon the use of the amusement device, the owner or lessee or person having the right to impose a charge for use of the amusement device must pay an annual permit fee of thirty-five dollars (\$35.00) for each such device.

(c) Upon payment of the permit fees, the state tax commission shall issue the permit(s) to the owner or lessee or person having the right to impose a charge for use of the amusement device. Such permit fee may be increased in a proportionate amount by the commission if the state sales tax rate increases.

(d) All applications for a permit renewal must be made to the state tax commission on or before July 1 of each year. Such application shall contain the same information required on an application to secure a seller's permit under this chapter and shall be accompanied by the annual permit fee due for each device.

(e) The state tax commission shall adopt a uniform system of providing, affixing and displaying official decals, labels or other official indicia evidencing that the owner, lessee, or person having the right to impose a charge for the use of the amusement device has paid the annual permit fee for such amusement device. **No person subject to a permit fee under this chapter may impose a charge or collect any consideration for use of such amusement device unless such official decal, label, or other official indicia, as required herein, is affixed to such amusement device.**

(f) In addition to the penalties set forth above and in section 63-3634, Idaho Code, the state tax commission may assess the following penalties:

(1) **If any owner, lessee, or person having the right to impose a charge for the use of any coin, currency or token operated amusement device in this state shall violate any provision of this section or any rule promulgated under this section, the commission may assess penalties, of fifty dollars (\$50.00) for each device for failure to pay timely permit sticker fees.**

(2) A person who knowingly secures or attempts to secure an amusement device permit sticker under this section by fraud, misrepresentation, or subterfuge or uses any permit issued under this section in a fraudulent manner shall be subject to a penalty of up to twenty-five thousand dollars (\$25,000).

(g) The state tax commission shall impose the penalties provided in this section by a notice of deficiency determination in the manner provided in section 63-3629, Idaho Code, which shall be subject to review as provided in section 63-3631, Idaho Code.

(h) The commission may revoke all permits of any person who operates any amusement device without complying with the provisions of this section. Notice of revocation shall be given in the manner provided for deficiencies in taxes in section 63-3629, Idaho Code, which shall be subject to review as provided in section 63-3631, Idaho Code.

(i) Permits issued under this section are transferable to another person only after written notice of the transfer is given to the state tax commission (Idaho Code §63-3623B, emphasis added.)

The taxpayer has not provided the Commission with information to establish that the amount asserted in the Notice of Deficiency Determination is incorrect. As a result, the Commission will uphold the tax deficiency notice for the period July 1, 2006, through June 30, 2007. A determination of the State Tax Commission is presumed to be correct (*Albertson's, Inc. v. State, Dept. of Revenue*, 106 Idaho 810, 814, 683 P.2d 846, 850 (1984)), and the burden is on the taxpayer to show that the deficiency is erroneous (*Parsons v. Idaho State Tax Commission*, 110 Idaho 572, 574-575 n.2 (Ct. App. 1986)).

Absent information to the contrary, the Commission finds the deficiency prepared by the Bureau to be an accurate representation of the taxpayer's liability for the period July 1, 2006, through June 30, 2007.

WHEREFORE, the Notice of Deficiency Determination dated July 28, 2006, is hereby APPROVED, AFFIRMED, and MADE FINAL.

IT IS ORDERED and THIS DOES ORDER that the taxpayer pay the following:

PENALTY  
\$250

DEMAND for immediate payment of the foregoing amount is hereby made and given.

An explanation of the taxpayer's right to appeal this decision is included with this decision.

DATED this \_\_\_\_ day of \_\_\_\_\_, 2006.
