_____)	

This case arises from a timely protest of a State Tax Commission staff decision adjusting the property tax reduction benefit for 2006. This matter was submitted for a decision based on the documents in the file. The State Tax Commission has reviewed the file and makes its decision.

All property within the jurisdiction of this state is subject to property tax. A property tax reduction benefit is available to certain qualifying individuals throughout the state. The benefit is in the form of payment of a portion or all of an applicant's property tax on the dwelling he/she owns and occupies. The payment is funded by the state sales tax.

[Redacted] (petitioner) filed an application [Redacted] for the property tax reduction benefit on April 14, 2006.

Pursuant to Idaho Code § 63-707(5), the staff reviewed the petitioner's application and sent her a letter advising her of the intent to change the amount of her benefit. She was asked to provide receipts from her providers to support the medical expenses she claimed in the application. The petitioner responded by delivering some information to the county assessor's office. The petitioner's file was transferred to the Legal/Tax Policy Division for administrative review.

Income for the purpose of the property tax reduction benefit is defined in Idaho Code § 63-701(5) as follows:

(5) "Income" means the sum of federal adjusted gross income as defined in the Internal Revenue Code, as defined in section 63-3004,

Idaho Code, and to the extent not already included in federal adjusted gross income:

- (a) Alimony;
- (b) Support money;
- (c) Nontaxable strike benefits;
- (d) The nontaxable amount of any individual retirement account, pension or annuity, (including railroad retirement benefits, all payments received under the federal social security act except the social security death benefit as specified in this subsection, state unemployment insurance laws, and veterans disability pensions and compensation, excluding any return of principal paid by the recipient of an annuity and excluding rollovers as provided in section 402 or 403 of the Internal Revenue Code);
- (e) Nontaxable interest received from the federal government or any of its instrumentalities or a state government or any of its instrumentalities;
- (f) Worker's compensation; and
- (g) The gross amount of loss of earnings insurance.

It does not include gifts from nongovernmental sources or inheritances. **To the extent not reimbursed, the cost of medical care as defined in section 213(d) of the Internal Revenue Code, incurred or paid by the claimant and, if married, the claimant's spouse, may be deducted from income.** To the extent not reimbursed, personal funeral expenses, including prepaid funeral expenses and premiums on funeral insurance, of the claimant and claimant's spouse only, may be deducted from income up to an annual maximum of five thousand dollars (\$5,000) per claim. "Income" does not include veterans disability pensions received by a person described in subsection (1)(e) who is a claimant or a claimant's spouse if the disability pension is received pursuant to a service-connected disability of a degree of forty percent (40%) or more. "Income" does not include dependency and indemnity compensation or death benefits paid to a person described in subsection (1) of this section by the United States department of veterans affairs and arising from a service-connected death or disability. "Income" does not include lump sum death benefits made by the social security administration pursuant to 42 U.S.C. section 402(i). **Documentation of medical expenses may be required by the county assessor, board of equalization and state tax commission in such form as the county assessor, board of equalization or state tax commission shall determine.** "Income" shall be that received in the calendar year immediately preceding the year in which a claim is filed. Where a claimant and/or the claimant's spouse does not file a federal tax return, the claimant's and/or the

claimant's spouse's federal adjusted gross income, for purposes of this section, shall be an income equivalent to federal adjusted gross income had the claimant and/or the claimant's spouse filed a federal tax return, as determined by the county assessor. The county assessor, board of equalization or state tax commission may require documentation of income in such form as each shall determine, including, but not limited to: copies of federal or state tax returns and any attachments thereto; and income reporting forms such as the W2 and 1099. (Emphasis added.)

The petitioner's receipts substantiated her Medicare, premiums paid to Veterans Life Insurance Company for health care insurance, prescriptions from Rite Aid, and cancer and intensive care insurance from AFLAC. All receipts that were provided were accepted as medical expenses.

In a letter to the petitioner that outlined her appeal rights, the petitioner was specifically asked to provide computer printouts or year end statements from all health care providers as substantiation of her out-of-pocket medical expense during 2005. The petitioner listed but did not provide any evidence of her out-of-pocket expenses [Redacted]. The deduction of those expenses is denied.

The petitioner's 2005 income consisted of Federal Adjusted Gross Income of \$21,273 and Social Security Income of \$12,434 less substantiated out-of-pocket medical expenses of \$2,345.16. Her total 2005 net income for the property tax reduction benefit purposes was \$31,362. The petitioner's 2005 income exceeds the \$28,000 maximum allowed to receive a minimum benefit. She must be denied the benefit.

The State Tax Commission is aware there is some potential this decision could cause a hardship to the property tax reduction applicant in certain circumstances. The proper jurisdiction to

handle such hardship situations falls with the county commissioners pursuant to Idaho Code § 63-711.

WHEREFORE, the Intent to Deny Property Tax Reduction Benefit letter dated August 28, 2006, is hereby APPROVED, AFFIRMED, and MADE FINAL.

An explanation of the petitioner's right to appeal this decision is included with this decision.
