

BEFORE THE TAX COMMISSION OF THE STATE OF IDAHO

In the Matter of the Protest of)	
)	DOCKET NO. 22921
[Redacted],)	
)	
Petitioners.)	DECISION
_____)	

On May 21, 2010, the Revenue Operations Division of the Idaho State Tax Commission (Commission) issued a Notice of Deficiency Determination (NODD) to [Redacted] (taxpayers) reducing the refund claimed for taxable year 2009 in the amount of \$150.

The taxpayers filed a timely appeal and provided a copy of several pages from a Petition to Modify Child Support Order dated May 1, 2008. The Order required [Redacted] to pay child support and stated a dependency exemption would be assigned to [Redacted] pursuant to the Idaho Child Support Guidelines.

The taxpayers did not request a hearing, nor did they provide any information for consideration other than the Order. The Commission, having reviewed the file, hereby issues its decision.

The sole issue for this decision is whether the taxpayers are entitled to the dependency exemption deduction for [Redacted], [Redacted] son from a previous relationship.

Deductions are a matter of legislative grace, and taxpayers bear the burden of proving that they are entitled to the deductions claimed. INDOPCO, Inc. v. Commissioner, 503 U.S. 79, 84, 112 S. Ct. 1039, 117 L.Ed.2d 226 (1992); New Colonial Ice Co. v. Helvering, 292 U.S. 435, 440, 54 S. Ct. 788, 78 L.Ed. 1348 (1934). Internal Revenue Code (IRC) section 151(c) allows a taxpayer a deduction of the exemption amount for each dependent as defined in IRC section 152.

IRC section 152(c) defines a “qualifying child” as an individual who (1) bears a certain relationship to the taxpayer, such as the taxpayer’s child, (2) has the same principal place of abode as the taxpayer for more than one-half of the taxable year, (3) meets certain age requirements, and (4) has not provided over one-half of the individual’s own support for the taxable year. IRC section 152(c)(1) through (3).

IRC section 152(d) defines a “qualifying relative” as an individual (1) who bears a certain relationship to the taxpayer, such as the taxpayer’s child, (2) whose gross income for the taxable year is less than the exemption amount, (3) with respect to whom the taxpayer provides over one-half of the individual’s support for the taxable year, and (4) who is not a qualifying child of the taxpayer or of any other taxpayer for the taxable year. IRC section 152(d)(1) and (2).

To claim a dependent exemption, the taxpayer must show the dependent is either a qualifying child or a qualifying relative. Regarding a qualifying child, the taxpayers have not shown that [Redacted] principal place of abode was with them for more than one-half the taxable year. Consequently, the taxpayers have no qualifying child for 2009. As for meeting the requirements for a qualifying relative of the taxpayers, the taxpayers failed to show that they provided over one-half the support of [Redacted] for the taxable year or that [Redacted] was not a qualifying child of any other taxpayer for the taxable year.

Because [Redacted] does not meet the requirements for either a qualifying child or a qualifying relative as defined in IRC section 152, the Commission finds that the taxpayers are not entitled to a dependency exemption deduction for [Redacted] for taxable year 2009. And, since the taxpayers are not entitled to the dependency exemption, the taxpayers cannot claim the additional grocery credit for [Redacted] per Idaho Code section 63-3024A.

WHEREFORE, the Notice of Deficiency Determination directed to [Redacted] dated May 21, 2010, is APPROVED, AFFIRMED, and MADE FINAL.

Since the taxpayers' refund was only reduced, and no additional tax is owed, no DEMAND for payment is required or necessary.

An explanation of the taxpayers' right to appeal this decision is enclosed.

DATED this _____ day of _____ 2010.
