

BEFORE THE TAX COMMISSION OF THE STATE OF IDAHO

In the Matter of the Protest of)

Petitioner.)	DECISION
_____)	

This case arises from a timely protest of a State Tax Commission (Commission) staff's decision adjusting the property tax reduction benefit for 2008. This matter was submitted for a decision based on the documents in the file. The Commission has reviewed the file and makes its decision.

All property within the jurisdiction of this state is subject to property tax. A property tax reduction benefit is available to certain qualifying individuals. The benefit is in the form of payment of all or a portion of the applicant's property tax on the dwelling he/she owns and occupies. The payment is funded by state sales tax. The amount of property tax reduction depends on income--the greater the income, the smaller the benefit.

[Redacted] (petitioner) submitted an application for a property tax reduction benefit for taxable year 2008. The [Redacted] County Assessor's office approved the application and the petitioner received a benefit for payment of the property tax on his homestead.

[Redacted]Idaho Code §§ 63-707 and 63-708 provide for an audit of all claims and recovery of benefits that have been paid in error. During the review of the petitioner's application, and records available to the Commission, the staff discovered income that had not been included in the application. The omitted income was gross proceeds from the sale of real estate in the amount of \$50,000.

A Notice of Deficiency Determination (NODD) was issued, and the petitioner was asked to repay the benefit received plus interest.

The petitioner responded to the NODD by returning a copy of the supplemental report that was included with the NODD. The petitioner stated on the supplemental report that he had forgotten to include some medical expenses and listed the omitted expenses. No mention was made of the addition to income. The staff sent the petitioner a letter explaining the items necessary to appeal the notice, if that was in fact his intent. The petitioner responded with a handwritten table that detailed some of the costs associated with the sale of property. The petitioner's file was transferred to the Legal/Tax Policy Division for administrative review

Income for property tax reduction benefit purposes is defined in Idaho Code § 63-701(5):

5) "Income" means the sum of federal adjusted gross income as defined in the Internal Revenue Code, as defined in section 63-3004, Idaho Code, and to the extent not already included in federal adjusted gross income:

- (a) Alimony;
- (b) Support money;
- (c) Nontaxable strike benefits;
- (d) The nontaxable amount of any individual retirement account, pension or annuity, (including railroad retirement benefits, all payments received under the federal social security act except the social security death benefit as specified in this subsection, state unemployment insurance laws, and veterans disability pensions and compensation, excluding any return of principal paid by the recipient of an annuity and excluding rollovers as provided in section 402 or 403 of the Internal Revenue Code);
- (e) Nontaxable interest received from the federal government or any of its instrumentalities or a state government or any of its instrumentalities;
- (f) Worker's compensation; and
- (g) The gross amount of loss of earnings insurance.

It does not include gifts from nongovernmental sources or inheritances. To the extent not reimbursed, the cost of medical care as defined in section 213(d) of the Internal Revenue Code, incurred or paid by the claimant and, if married, the claimant's spouse, may be deducted from income. To the extent not reimbursed, personal funeral expenses, including prepaid funeral expenses and premiums on funeral insurance, of the claimant and claimant's spouse only, may be deducted from income up to an annual maximum of five thousand dollars (\$5,000) per claim. "Income" does not include veterans disability pensions received by a person described in subsection (1)(e) who is a claimant or a claimant's spouse if

the disability pension is received pursuant to a service-connected disability of a degree of forty percent (40%) or more. "Income" does not include dependency and indemnity compensation or death benefits paid to a person described in subsection (1) of this section by the United States department of veterans affairs and arising from a service-connected death or disability. "Income" does not include lump sum death benefits made by the social security administration pursuant to 42 U.S.C. section 402(i). Documentation of medical expenses may be required by the county assessor, board of equalization and state tax commission in such form as the county assessor, board of equalization or state tax commission shall determine. "Income" shall be that received in the calendar year immediately preceding the year in which a claim is filed. Where a claimant and/or the claimant's spouse does not file a federal tax return, the claimant's and/or the claimant's spouse's federal adjusted gross income, for purposes of this section, shall be an income equivalent to federal adjusted gross income had the claimant and/or the claimant's spouse filed a federal tax return, as determined by the county assessor. The county assessor, board of equalization or state tax commission may require documentation of income in such form as each shall determine, including, but not limited to: copies of federal or state tax returns and any attachments thereto; and income reporting forms such as the W2 and 1099.

In the present case, the petitioner reported a federal adjusted gross income of \$5,309. The [Redacted] return did not address the sale of property, nor did the petitioner provide any additional documentation to establish his basis in the property. Therefore, the total amount of the gross proceeds must be included in income.

[Redacted]. The petitioner must repay the benefits received.

WHEREFORE, the Notice of Deficiency Determination dated March 31, 2010, is APPROVED, AFFIRMED, and MADE FINAL.

It is ordered and this does order that the petitioner pay the following 2008 property tax reduction benefit reimbursement and interest.

<u>YEAR</u>	<u>BENEFITS PAID</u>	<u>INTEREST</u>	<u>TOTAL</u>
2008	\$620	\$43.90	\$663.90

DEMAND for immediate payment of the foregoing amount is hereby made and given.

An explanation of the petitioner's right to appeal this decision is enclosed.
