_____	)	

On June 18, 2013, the Income Tax Audit (Bureau) of the Idaho State Tax Commission (Commission) issued a Notice of Deficiency Determination (NODD) to [Redacted] (taxpayers) proposing additional individual income tax, penalty, and interest in the amount of \$2,355 for taxable year 2010.

[Redacted] ([Redacted]) filed a timely appeal and petition for redetermination. He did not request a conference. The Commission has reviewed the file, is advised of its contents, and hereby issues its decision based thereon.

Idaho Code § 63-3002 provides:

Declaration of intent. It is the intent of the legislature by the adoption of this act, insofar as possible to make the provisions of the Idaho act identical to the provisions of the Federal Internal Revenue Code relating to the measurement of taxable income, to the end that the taxable income reported each taxable year by a taxpayer to the internal revenue service shall be the identical sum reported to this state, subject only to modifications contained in the Idaho law; . . .

The intent of the Idaho Legislature is to follow the [Redacted] determination of income, subject only to modifications contained in Idaho law. Pursuant to the authority of the Internal Revenue Code § 6103(d) and Idaho Code § 63-3077, the Commission received notification that the [Redacted] ([Redacted]) had made adjustments to items claimed on the taxpayers' schedule A. The Bureau reviewed the changes the [Redacted] made and determined the taxpayers' Idaho income tax return should be adjusted as well. The Bureau adjusted the taxpayers' 2010 Idaho

income tax return and sent them a Notice of Deficiency Determination. [Redacted] appealed the Bureau's determination.

The Bureau sent [Redacted] a letter acknowledging his protest and informing him that the file was being transferred to the Legal/Tax Policy Division for administrative review.

Idaho Code § 63-3031(b)(3) defined the responsibility of a married couple making the election to file their tax returns with a filing status of married filing joint:

(3) If a joint return is made, the tax shall be computed on the aggregate income and the liability with respect to the tax shall be joint and several.

Because the taxpayers chose to file their tax returns as married filing joint, the state of Idaho holds the taxpayers jointly and severally liable. One spouse may have a cause of action against the other spouse. However, the state remains in a neutral position. Joint and several liabilities simply means the state may collect any portion of the liability up to the entire amount from either spouse. The taxpayers filed their 2010 Idaho income tax return as married filing joint. Therefore, both taxpayers are responsible for the tax, jointly and severally.

Upon reviewing the information in the file, the Commission finds the taxpayers have not provided the Commission with a contrary result to the deficiency notice. Therefore, the Commission upholds the deficiency as asserted.

THEREFORE, the Notice of Deficiency Determination dated June 18, 2013, and directed to [Redacted] is AFFIRMED.

IT IS ORDERED that the taxpayers pay the following amount of tax, penalty, and interest for taxable year 2010:

<u>YEAR</u>	<u>TAX</u>	<u>PENALTY</u>	<u>INTEREST</u>	<u>TOTAL</u>
2010	\$2,069	\$103	\$209	<u>\$2,381</u>

Interest is calculated through January 31, 2014.

DEMAND for immediate payment of the foregoing amount is hereby made and given.

An explanation of the taxpayers' right to appeal this decision is enclosed.

DATED this \_\_\_\_\_ day of \_\_\_\_\_ 2013.
