- If you're filing a joint return and your spouse is 65 or older, check the box for "Spouse."

Line 12c Claimed Dependent

Check this box if someone else, such as a parent, can claim you as a dependent.

Lines 13 – 16

Standard Deduction

Most people can find their standard deduction by looking at the instructions to the left of Form 40, line 16. Use the Standard Deduction Worksheet beginning on this page to calculate your standard deduction if either of these is true:

- You checked any boxes on lines 12a through 12c.
- Someone can claim you or your spouse, if filing jointly, as a dependent.

You can use either your federal itemized deductions or standard deduction, whichever benefits you more.

You Must Itemize If:

- Your filing status is married filing separately and your spouse itemizes.
- You had dual status as a nonresident alien for part of 2025, and you were a resident alien or U.S. citizen during the rest of the year.

You don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2025, and you and your spouse agree to be taxed on your combined worldwide income.

Idaho requires you to subtract state income tax, local income tax, or general sales tax on federal Schedule A from your total itemized amount before you use that amount to reduce your income. Because of this addback, it might be more beneficial to itemize for federal purposes but use the standard deduction for Idaho.

If the IRS considers you or your spouse a nonresident alien and you aren't from India, your standard deduction is zero. If you're nonresident aliens from India, use the standard deduction for your filing status.

If line 15 is more than line 16, use your itemized deductions on line 15. If line 16 is more than line 15, use your standard deduction on line 16.

Itemized Deductions

If you use federal Schedule A to itemize, follow these instructions for line 14.

If federal Schedule A, line 5d, is:

- \$10,000 or less (\$5,000 if married filing separately), enter the amount from federal Schedule A, line 5a.
- More than \$10,000 (\$5,000 if married filing separately), subtract lines 5b and 5c from line 5e, and enter the amount here. Enter zero for any result less than zero.

Federal Foreign Tax Credit: If you claim the federal foreign tax credit, Idaho allows that amount as a deduction. Idaho doesn't have a credit that matches the federal foreign tax credit.

Add the amount you claimed for the federal foreign tax credit to your Idaho itemized deductions.

For divorced parents or parents who don't live together, only one parent can claim the qualifying child. Typically, the custodial parent claims the qualifying child.

The noncustodial parent can claim the child if **either** of these is true:

- A court has awarded the right to claim the child for tax purposes to the noncustodial parent.
- The custodial parent signs a written declaration that the noncustodial parent can claim the child for the child tax credit.

The noncustodial parent must include a copy of the court order or the written declaration with their income tax return.

Penalty: Idaho law provides penalties for not filing tax returns by the due date, not paying tax due on time, and not prepaying enough on extension returns. For more information or to calculate a penalty, see our *Interest and Penalties* page at tax.idaho.gov/penalties.

Interest: We charge interest on the amount of tax due, line 51, from the original due date until paid. The rate for 2026 is 6%.

Idaho Medical Savings Account: If you make an Idaho medical savings account withdrawal that's taxable and you're under age 59 1/2, the withdrawal is subject to penalty. The penalty is 10% of the amount withdrawn. Check the box and enter the amount here.

Line 53 Nonrefundable Credit From a Prior Year Return

If you were denied a refund from an overpayment of tax on a prior year return because of the three-year statute of limitations, you might be eligible to take a credit for the amount. See Idaho Form 44 to calculate your credit and include it with your return.

Line 54 Total Due

Enter the amount you owe, including penalty and interest, on this line.

Don't send cash. Payments of less than \$1 aren't required. We charge a \$20 fee on all returned checks.

Electronic payments. There's no fee to pay by ACH debit. Our third-party provider charges a convenience fee when you pay by credit card, debit card, or e-check. We accept American Express®, Discover®, MasterCard®, and Visa®. For more information, visit our *E-Pay* page at tax.idaho.gov/epay.

Check payments. Make your check or money order payable to the Idaho State Tax Commission. Be sure to write your Social Security number on it, and include it with your return. Don't staple your check to your return or send a check stub.

Line 56 Refund/Apply to 2026**Refund**

Enter the amount of your overpayment from line 55 that you want refunded to you. We don't issue refunds of less than \$1. You have three years from the return's due date (not including extensions) to claim a refund.

We must apply refund money to unpaid Idaho tax liabilities and liabilities owed to some other agencies before issuing a refund for anything that remains. The agency or party seizing the refund must send you notice of the action. Direct questions about a refund seizure to the agency or party that initiated the claim for seizure.

Apply to 2026

If you're filing an original return, apply all or part of the amount on line 55 to your estimated tax for 2026. Subtract the amount you're requesting to be refunded from the amount on line 55. The difference will be applied to your 2026 estimated tax and will not be refunded to you.

Line 57 Direct Deposit

Complete this line if you want us to deposit your refund directly into your bank or Idaho 529 College Savings (IDeal) account instead of mailing you a check.

If your refund is being forwarded from a U.S. financial institution to a financial institution or agency located outside of the United States, check the box on this line. If after filing your Idaho income tax return you become aware that your electronic refund payment will be electronically deposited in a financial institution or financial agency located outside of the United States, please notify us at:

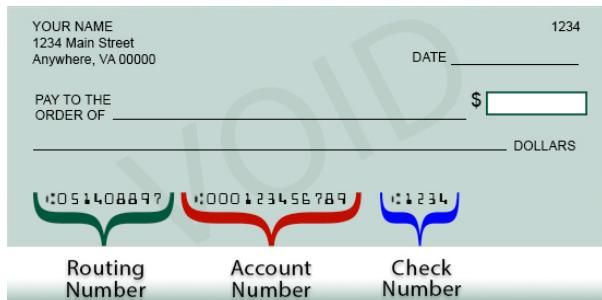

Idaho State Tax Commission
PO Box 56
Boise ID 83756-0056

Contact your bank to make sure that it will accept the deposit and that you have the correct routing and account numbers.

Enter your nine-digit routing number. The routing number must begin with 01 through 12 or 21 through 32 for bank accounts. For all IDeal accounts, the routing number is 011001234.

Don't include hyphens, spaces or special symbols. Enter the number left to right and leave any unused boxes blank.

Check the appropriate box for account type. Check **either** checking or savings, but not both. For IDeal accounts, check the box for checking.

The check example above shows where the banking information appears. To locate your IDeal account number, log into your account at www.idsaves.org or call (866) 433-2533 for assistance. You're responsible for the accuracy of this information.

Note: An IDeal account has a maximum balance limit of up to \$350,000 for each beneficiary.

If your financial institution rejects your request for direct deposit, you'll receive a check by mail instead.

Tax Preparer Contact Box

This box applies only if you paid a tax preparer to complete your return. If you check the box, you're authorizing the Tax Commission to discuss your return with the paid preparer identified on the return.

You're also authorizing the paid preparer to do **both** of these:

- Give the Tax Commission any information that's missing from your return.
- Call the Tax Commission for information about the processing of your return or the status of your refund or payments.

You're not authorizing the paid preparer to receive any refund check, bind you to anything including any additional tax liability, or otherwise represent you before the Tax Commission.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.
