

Form 1550 — Instructions Cigarette Tax Return

Every person who applies cigarette stamps must file a monthly cigarette tax return. The return is due on the 20th day of the month immediately following the tax period. You must report **Total Cigarettes** or **Total Stamps**, not cartons or rolls.

If you're required to file a monthly report with Idaho to comply with the federal Prevent All Cigarette Trafficking (PACT) Act, the PACT Act report is due by the 10th day of the month. Instead of filing a PACT Act report on the 10th and your tax return on the 20th, you can meet both filing requirements by filing your tax return on the 10th. **However, you must include with your return either an addendum or internal report that lists the brand of cigarettes and smokeless tobacco you're selling.** If you're a delivery seller, please include the name, address, and phone number of your common carrier. You still have the option of paying any tax you owe on or before the 20th.

You must file the return even if you didn't owe any tax for the period. You must sign your return to make it valid. Unsigned returns may result in penalty or interest, or both. Indicate your title, the date, and phone number of your business.

Verify your information on the form. Draw a line through any errors and write in the correct information. If you've made changes, mark the "Address change" box. Check the "Cancel permit" box if you want to cancel your Idaho Cigarette Tax Permit.

In-state Wholesalers/Stampers – Complete all forms.

Manufacturers and Out-of-State Wholesalers/Stampers – Complete Form CG 1550 (lines 6 through 21b). Also, complete CG 1503A and B when an entry is made on line 8 or 9.

Line 13. Total cigarettes stamped. Complete Part III of Form CG 1550, page 2, and enter the amount from line 10.

Line 16. Credit for stamped cigarettes returned to the manufacturer. Multiply the number of stamped cigarettes by **.0276** (.0285 X 96.70% = .0276).

This represents the value of the stamps less the discount you received for affixing the stamps. You must attach documentation. Include the returned goods receipt and bill of lading or Form CG 403 with your return. Form CG 403 must have prior approval from the Idaho State Tax Commission.

Line 17. Net tax due or [refund]. Subtract lines 15 and 16 from line 14. If the amount is a refund, put the figure in [brackets].

If you paid tax on cigarette products sold on or after January 1, 2000, and later found the accounts to be worthless and actually charged off for income tax purposes, use line 18 to apply the bad debt credit to this return or, if no tax is due, to be refunded. Enter the bad debt credit amount in brackets. If you're repaying all or part of a previously taken bad debt credit, enter it as a positive figure on line 18. In either case, you must attach a letter of explanation.

Line 19. Total tax due or [refund]. Line 17 plus or minus line 18.

Line 20. Penalty. Enter the amount of any penalty you owe on the tax.

You must file and pay the tax by the due date listed on the tax return. If you don't, the following penalties apply:

- If you file on time but your payment is late, the penalty is 0.5% (1/2 percent) of the tax due (see line 19) for each late month.
- If you file late, the penalty is 5% of the tax due (line 19) for each late month. This penalty begins the first day you're late and continues until you file your return or pay the tax.
- If you file late and don't pay the tax when you file, there's an additional late penalty of 0.5% (1/2 percent) of the tax due (line 19) for each late month.

Note: No penalty is due if no tax is due. The minimum penalty amount is \$10, and the maximum penalty is 25%. Even if your payment is only one day late, you still owe the entire monthly penalty.

Interest. Interest accrues on late payments from the due date until paid. Rates are as follows:

01/01/2024 – 12/31/2024, 6% per year
 01/01/2023 – 12/31/2023, 5% per year
 01/01/2022 – 12/31/2022, 3% per year
