- Complete the top of the form through line 6
- Write "NRF" (Not Required to File) on line 7

Heading

Write your name, address, and Social Security number (SSN) in the spaces provided. If you don't have an SSN, write your Individual Tax Identification Number (ITIN).

If you don't have or aren't required to have an SSN or ITIN, enter "NRA" (Nonresident Alien) in the SSN space. If you've applied for an ITIN and haven't received it from the Internal Revenue Service (IRS) before you file your Idaho return, enter "Form W-7" in the space provided for the SSN. If you enter "Form W-7," include a copy of your federal Form W-7 with your return. Once you receive your ITIN from the IRS, you must provide it to the Tax Commission before your return can finish processing.

If you receive an SSN after using an ITIN, you must use the SSN and stop using your ITIN. It's your responsibility to notify the Tax Commission so your return can finish processing.

Be sure that your return and W-2 forms show the correct SSN or ITIN. An error in your SSN or ITIN will delay your refund.

Amended Return

You can use this form as an original return or an amended return.

If you're filing this form as an amended return, check the box at the top of the form. Enter the number from the following list that best describes your reason for amending:

1. Federal Audit
2. Net Operating Loss Carryback – Include Form 56 or a schedule showing the application of the loss

4. Other – Include an explanation

Complete the entire form and schedules using the corrected amounts. Don't include a copy of your original return with the amended return.

Line 12c Claimed Dependent

Check this box if someone else, such as a parent, can claim you as a dependent.

Lines 13 – 16

Standard Deduction

Most people can find their standard deduction by looking at the instructions to the left of Form 40, line 16. Use the Standard Deduction Worksheet beginning on this page to calculate your standard deduction if:

- You check any boxes on lines 12a through 12c, or
- Someone can claim you or your spouse, if filing jointly, as a dependent

You can use either your federal itemized deductions or standard deduction, whichever benefits you more.

You Must Itemize If:

- You're married, filing a separate return (filing status 3), and your spouse itemizes
- You had dual status as a nonresident alien for part of 2023 and during the rest of the year, you were a resident alien or a U.S. citizen

You don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2023, and you and your spouse agree to be taxed on your combined worldwide income.

Idaho requires that state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes but use the standard deduction for Idaho.

If the IRS considers you or your spouse a nonresident alien and you aren't from India, your standard deduction is zero. If you're nonresident aliens from India, use the standard deduction indicated for your filing status.

If line 15 is more than line 16, use your itemized deductions on line 15. If line 16 is more than line 15, use your standard deduction on line 16.

Itemized Deductions

If you use federal Schedule A to itemize, use the following instructions for line 14:

- If federal Schedule A, line 5d, is:
 - \$10,000 or less (\$5,000 if married filing separately), enter the amount from federal Schedule A, line 5a.
 - More than \$10,000 (\$5,000 if married filing separately), subtract lines 5b and 5c from line 5e, and enter the amount here. Enter zero for any result less than zero.

Federal Foreign Tax Credit: If you claim the federal foreign tax credit, Idaho allows that amount as a deduction. Idaho doesn't have a credit that matches the federal foreign tax credit.

Add the amount you claimed for the federal foreign tax credit to your Idaho itemized deductions.

When both Idaho and another state tax the same income, you may qualify for a credit for tax paid to the other state. Use Form 39R to compute the credit. You must include a copy of the other state's income tax return and Form 39R. If the credit applies to more than one state, use a separate Form 39R for each state. See instructions, page 37.

You may qualify for a credit for tax paid to another

state by a pass-through entity. If a pass-through entity paid tax to another state on your behalf, it should report that information to you.

Examples of income that may be taxed by both Idaho and another state include:

For divorced parents or parents who don't live together, the custodial parent claims the qualifying child.

The noncustodial parent may claim the child if:

- A court has awarded the right to claim the child for tax purposes to the noncustodial parent, or
- The custodial parent signs a written declaration that the noncustodial parent can claim the child for the child tax credit

The noncustodial parent must include a copy of the court order or the written declaration with their income tax return.

Electronic payments. There's no fee to pay by ACH Debit. Our third-party provider charges a convenience fee when you pay by credit card or e-check. We accept American Express®, Discover®, MasterCard®, and Visa®. For more information, visit our *E-Pay* page at tax.idaho.gov/epay.

Check payments. Make your check or money order payable to the Idaho State Tax Commission. Be sure to write your Social Security number on it, and include it with your return. Don't staple your check to your return or send a check stub.

Line 56 Refund/Apply to 2024

Refund

Enter the amount of your overpayment from line 55 that you want refunded to you. Refunds of less than \$1 won't be issued. You have three years from the return's due date (not including extensions) to claim a refund. Refunds will be reduced by unpaid Idaho tax liabilities and can be applied to unpaid liabilities owed to other agencies.

The agency or party seizing the refund must send you notice of the action. Questions about a refund seizure should be directed to the agency or party that initiated the claim for seizure.

Apply to 2024

If you're filing an original return, subtract the amount

you want to refund from line 55. Any difference will be applied to your 2024 tax and won't be refunded.

Line 57 Direct Deposit

Complete this line if you want us to deposit your refund directly into your bank or Idaho 529 College Savings (IDeal) account instead of mailing you a check.

If your refund is being forwarded from a United States financial institution to a financial institution or financial agency located outside of the United States, check the box on this line. If after filing your Idaho income tax return you become aware that your electronic refund payment will be electronically deposited in a financial institution or financial agency located outside of the United States, please notify us at:

Idaho State Tax Commission
PO Box 56
Boise ID 83756-0056

Contact your bank to make sure your deposit will be accepted and that you have the correct routing and account numbers.

Enter your nine-digit routing number. The routing number must begin with 01 through 12 or 21 through 32 for bank accounts. For all IDeal accounts, the routing number is 011001234.

Enter the account number you want your refund deposited into. The account number can be up to 17 characters (both numbers and letters). For IDeal accounts, the account number will be 541 plus the 11-digit IDeal account number.

Don't include hyphens, spaces or special symbols. Enter the number left to right and leave any unused boxes blank.

Check the appropriate box for account type. Check **either** checking or savings, but not both. For IDeal accounts, check the box for checking.

The check example above indicates where the proper banking information is located. To locate

your IDeal account number, log into your account at www.idsaves.org or call (866) 433-2533 for assistance. You're responsible for the accuracy of this information.

If your financial institution rejects your request for direct deposit, you'll receive a check by mail instead.

Note: An IDeal account has a maximum balance limit of up to \$350,000 for each beneficiary.

Tax Preparer Contact Box

This box applies only if you paid a tax preparer to complete your return. If you check the box, you're authorizing the Tax Commission to discuss your return with the paid preparer identified on the return.

You're also authorizing the paid preparer to:

- Give the Tax Commission any information that's missing from your return, and
- Call the Tax Commission for information about the processing of your return or the status of your refund or payments

You're not authorizing the paid preparer to receive any refund check, bind you to anything including any additional tax liability, or otherwise represent you before the Tax Commission.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.
