General Information							

Use this form when you first register your transport trailer, office trailer, or boat that doesn't require titling. Idaho imposes a use tax on the storage, use, or other consumption of tangible personal property in Idaho on which you didn't pay sales tax, unless an exemption applies. You'll need to pay use tax or provide proof that you either:

- · Paid sales tax when you bought the property you're registering, or
- Completed and provided the appropriate exemption certificate because an exemption applied and no sales tax is due.
