POSTCONSUMER OR POSTINDUSTRIAL WASTE APPLICATION

Company Name:	Exemption Approved (Yes or No)	Date Received

Idaho Code §63-602CC requires a list of "Qualified Equipment" be filed with the County Assessor's office in order to qualify for this exemption. This application must be filed each year on or before March 15.

Qualified Equipment is machinery or equipment: (1) located within Idaho, (2) with an estimated useful life of at least three (3) years and (3) with at least ninety (90%) of the total actual production utilizing postconsumer waste or postindustrial waste during the previous calendar year.

List <u>all</u> qualified equipment:	Date Purchased	Original Cost	Percent of qualified production time.	Equipment Qualified for Exemption Y or N
