OUTPUT SUMMARY (or N/A):

The report lists the parcel key, name, category, PM review year, LD appraisal year, and edit.

SPECIAL CONSIDERATIONS:

If the appraisal date is greater than 0630, the following year will roll in.

If the parcel has several sheets, the oldest year will be used.

Active appraisal years will be edited against active and inactive Parcel Master review years. Inactive appraisal years will only be edited against inactive Parcel Master review years.

EDITS AND EDIT CAUSES:

Appraisal Date May Require Attention:
Check to make sure the appraisal date was keyed in correctly. These years will roll in.

LD Year Less Than PM Year:
