TXB019
TX-LIST TAX RECORDS WITH COMMENTS

PROGRAM FUNCTION:

This program will list all or selected tax comments for a specific tax year. Treasurer security is required in order to run this program.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

01   Enter tax year (YYYY)
02   Enter tax comment (optional)
03   Limits
04   Printer prompts

COMMENTS:

The program will list all tax comments that meet the selection criteria. If you enter a specific tax comment, the program will only list **exact** hits. (If you enter the specific comment "check prior year<u>s</u>", and have a comment out there that says, "check prior year", it will not print.) If you want all comments, leave the field blank.

OUTPUT SUMMARY (or NA):

The report lists the tax key, tax year, tax month, compliance number, tax type, code area, parcel name, and comment. A parcel total and your prompt responses print at the end of the report.

SPECIAL CONSIDERATIONS:

None.
