ELECTION — I elect to exempt the following property that was placed in service during calendar year 2018 from property tax for 2019 and 2020. I understand I waive my right to claim the investment tax credit on this property at any time. Once I make the election, I can't change it. I must recapture the property tax benefit if, during the 5-year recapture period, the property no longer qualifies as a qualified investment as defined in Idaho Code section 63-3029B.

LOSS IN SECOND PRECEDING TAX YEAR — To qualify for the QIE, you must have had an Idaho income tax loss without regard to net operating loss carryovers or carrybacks in the second preceding tax year from the income tax year you placed the property in service. If you file income tax returns on a fiscal year basis, see the instructions to determine your qualifying loss years. County assessors can check with the Tax Commission to verify you had a loss in the applicable year(s).

List the ending date of your tax year(s) that ended in calendar year 2018 _____

If you had a short period tax year during calendar year 2018 or during the previous two years, attach a statement that includes your tax year ending dates.

I elect to claim the QIE on the property listed below. The exemption for used property is limited. See instructions.
