Instructions for Idaho Form 69

GENERAL INSTRUCTIONS

The incentive ITC was eligible to be earned on qualified investments in Idaho that were placed in service in tax years beginning in 2001 only. Although the credit can no longer be earned, it may be carried over from 2001 or acquired by transfer from another taxpayer who earned the credit in 2001.

Form 69 is used to calculate the Idaho incentive investment tax credit (incentive ITC) allowed. Each member of a unitary group that is allowed the credit must complete a separate Form 69.

Unitary Sharing

A corporation included as a member of a unitary group of corporations may elect to share the incentive ITC it earned but does not use with other members of the unitary group. The corporation must claim the incentive ITC to the extent allowable against its Idaho income tax before it can share the credit.

Transfer of Credit

A taxpayer who earned the incentive ITC may transfer the credit to another taxpayer. The transferor must submit Form 70, Idaho Statement of Credit Transfer, to the Tax Commission at least 60 days prior to the date of transfer. The Tax Commission will verify the amount of credit available for transfer and the number of carryover years.

The transferee may first claim the transferred credit on his income tax return originally filed during the calendar year in which the transfer takes place. However, the credit may not be claimed on a tax return that begins prior to January 1, 2001. The transferee must attach a copy of Form 70 to each income tax return in which the credit is claimed or carried over.

Carryover Periods

The credit carryover is limited to 14 tax years. A transferee is entitled to the same carryover period that would have been allowed to the transferor.

SPECIFIC INSTRUCTIONS

Instructions are for lines not fully explained on the form.
