

IAAO Course 402: Property Tax Policy

Course 402 offers students strategies for assisting in the effective formulation and implementation of tax policies and presents background enabling students to understand the context under which property tax policy is established. Students will be given analytical tools with which they can explain the effects of proposed property tax changes. They will be provided with a sound theoretical basis to guide decision-making and to assist in creating workable solutions for their jurisdictions. The course is designed for assessment administrators and students of taxation, as well as professional policy advisors who guide and make decisions in the area of tax policy on a regular basis.
