

## **Assessors' Workshop**

This workshop is designed to provide an overview of each of the major areas of property appraisal and assessment for which assessors have responsibility. The workshop will cover legal and administrative aspects of assessment and will discuss property tax roles of different county offices and the Tax Commission. Specific topics to be covered include property tax policy, rules and legal issues, ratio studies, exemptions and tax relief programs, the budget and levy process, education, mapping, appraisal, farm and timberland assessment, urban renewal, and operating property assessment. In addition, staff from the Tax Commission's Information Technology (IT) section and consulting appraisers will discuss assistance they can provide to assessors.
