

Develop Land Value Scales with Regression, Abstraction, Allocation, and Sales

This course will illustrate practical application of concepts from the “IAAO 201 Valuation of Land” course. In this course students will develop land value scales using allocation, abstraction, and direct sales comparison approaches in a computerized environment. Microsoft Excel spreadsheets will be used to perform analysis and to develop value scales.

Instructor: Alan Smith, Appraisal Field Supervisor
Dates: Monday, July 23 - Wednesday, July 25
Location: Conference room 5CR3 (fifth floor) in Plaza IV - Washington Group Complex (Tax Commission office)
Hours: 21
Note: This class is limited to 15 students.
