

## **Excel - How Can I Use It for Appraisal Purposes?**

In this hands-on training session, the attendees will be exposed to a few Excel spreadsheets used by appraisers in Idaho. Some of the spreadsheets used in the session will include the LCM development spreadsheet, CurveFit, and the Simplified Sales Ratio Study.

Instructor: Alex Chizewsky, CAE

Dates: Tuesday, January 7

Location: Conference room 5CR3 (fifth floor) in Plaza IV –  
Washington Group Complex (Tax Commission office)

Hours: 7
