

## **Excel Math for Assessors and Appraisers**

This hands-on workshop will provide instruction on basic assessment math functions in an Excel spreadsheet environment. Topics include:

- Math formulas - calculation of sales ratios, trend factors, market rates, and depreciation
- Excel functions and features
- Statistical functions for assessment level and uniformity
- Charting, regression, and the use of lookup tables

**Recommended:** This workshop is intended for beginning and intermediate level Excel users.

**Instructor:** Cliff McLean

**Dates:** Monday, January 12

**Location:** Conference room 5CR3 (fifth floor) in Plaza IV - Washington Group Complex (Tax Commission office)

**Hours:** 7

**Note:** Class size is limited to 15 students.
