

TSB (Technical Support Bureau) Dashboard

This workshop will be an overview of how counties can run reports, MSSQL scripts, and transfer files to the Property Tax Division. The TSB Dashboard is mainly used for ProVal and Aumentum (formerly GRM). The Dashboard will be used for future applications.

Instructor: Property Tax Commission staff
Dates: Monday, January 6 (p.m.)
Location: Conference room 5CR3 (fifth floor) in Plaza IV –
Washington Group Complex (Tax Commission office)
Hours: 4
