

## **Urban Renewal and New Construction Roll**

This class will focus on assessment, administration, and policy issues related to the formation and operation of urban renewal agencies. It will also review important Idaho laws and Tax Commission rules relating to urban renewal areas. Students will learn how to compute and modify the base assessment roll and the increment value used to reallocate revenue. The course will provide a summary of each of the approximately 100 existing rules and encourage class participation to discuss any rule. The class will conclude with a discussion and explanation of the New Construction Roll.
