

## Valuation of Historical Properties

This workshop will provide guidance and suggestions on the process of data collection and analysis of historic properties. Information from various sources and areas of the United States will be used to help processes and procedures to determine if the market reacts differently to historic versus nonhistoric properties. Topics include:

- USPAP
- Background information on National Register of Historic Places
- Definitions and designation as an historic place
- Websites and data sources
- Highest and best use analysis
- Review of economic principles
- Three approaches to value
