

## **A Beginner's Guide to the BOE (Board of Equalization) Hearing**

HELP! Someone filed an appeal of their assessment value. WHAT DO I DO NOW? This half-day workshop will explore a step-by-step approach in preparation for a BOE hearing. The workshop will consist of two parts. First, we will discuss the vital points that build an effective defense of value. Second, we will apply our discussion in a structured hands-on practice. The result will be a PowerPoint template that attendees can take and use in future preparations for BOE hearings. This workshop will prove helpful to new appraisers and those unfamiliar with the BOE process.
