Subject: Ordinance No. 2009-29 KUNA (CITY)

Dear Ms. Burgess:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed because it does not comply with legal description and mapping requirements.

- The description of the annexation does not close to 1:5000. Parcel Two.
- The exception description does not close to 1:5000. Parcel One.
- The legal description provided is not contiguous with the city boundary. Parcel Four.
- Also, if the intent is to except out the canal, then the exception as described does not appear to follow the canal. See included image.
- Because of the way the annexations are included in this area, ORD.2009-28 cannot be approved until this ordinance is approved.

Before this annexation can be processed for the 2010 year, the discrepancies listed need to be corrected. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call me at (208) 334-7750.
