Dear Ms. Cady:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed because it does not comply with legal description and mapping requirements.

- The legal description contains errors. On page 3 of 3 of the legal description, the fifth line down, the bearing is missing a direction N 30°45'36" ? 50.00). The legal will need to be corrected, and re-recorded, and then sent back to me for approval.

Before this annexation can be processed for the 2010 year, the discrepancies listed need to be corrected. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call me at (208) 334-7750.
