Subject: Ordinance No. Schlapia MELBA FIRE

Dear Mr. Steiner:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed because it does not comply with legal description and mapping requirements.

- The legal description provided is not contiguous with the fire district boundary and is not 40 acres in area. Also, the easement is for the use of a 40-foot strip of land and the property owners have not consented to have their property in the fire district. See I.C. 31-1411.

Before this annexation can be processed for the 2012 year, the discrepancies listed need to be corrected. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call me at (208) 334-7750.
