RE: Audit of the district

Dear Mr. Keuhn;

The Idaho State Tax Commission recently reviewed the taxing districts for the Tax Code Areas in your county. The Idaho State Tax Commission has added the bonds to the Description of Numbers for the various districts that have a bond. Please see enclosed list. This is an effort to clarify what districts and bonds are in each tax code area. When the bonds are paid off the bonds will be removed. If a new bond is approved, the new bond will be added.

If you have any questions please contact me.

Sincerely;
