Subject: Ordinance No. ord._596_16 OASIS FIRE PROTECTION

Dear Mr. Hobdey:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed because it does not comply with legal description and mapping requirements.

- Area annexed too small. With the exclusion of the 37 acres stated in the Elmore County Commissioners' Resolution 596-16 and the Tax Commissions' rejection of the last annexation dated Jan 22, 2016 (Resolution 587-16), the area annexed has a net total of approximately 19 acres. The minimum acres of a non-contiguous area into any fire district must be no less than forty (40) acres.

Before this annexation can be processed for the 2017 year, the discrepancies listed need to be corrected. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call me at (208) 334-7750.
