Subject: Ordinance No. CR6 Subd EDWARDS MOSQUITO ABATE

Dear Ms. Fly:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed because it does not comply with legal description and mapping requirements.

- The map and legal description do not match. The ballot description describes more area than the ordinance description.
- Please provide a large copy of all plats mentioned on the ballot for our review.
- The annexation area is separated from the Abatement District by privately owned land. See I.C 39-2801A

Before this annexation can be processed for the 2013 year, the discrepancies listed need to be corrected. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call me at (208) 334-7750.
