**East Side Fire Protection District
Commissioner Meeting
May 12, 2010**

Present:

Commissioners: Susan Melka, George Oatman, Tom Little
Chief Jim Walton
Captains: Kathy Flint, Hans Munnich
Lieutenant Doug Allman

- I. Commissioner Melka called to order the Public Hearing on new annexations at 1005.
- II. The hearing was open for comment at 1005.
- III. With no further comment, Commissioner Melka closed Public Hearing on new annexations at 1012.

Commissioner Melka opened regularly scheduled meeting of the East Side Fire Protection District Commissioners at 1012
The May 12, 2010 agenda was changed to add New Annexations under "Approvals"

Approvals

- Minutes: Commissioner Little moved to approve the April 14, 2010 minutes as submitted. Commissioner Oatman seconded the motion, which carried with no objection. Discussion about the KC fire agency meetings about building inspection requirements. These meetings are still ongoing and no final decisions have been made. Chief Walton reminded commissioners that our fees may increase slightly to conform with the requirement that all agencies charge the same fees for building inspections.
- The WUI meeting hasn't happened yet. Commissioner Melka will not be able to attend
- Financials: Discussion about the communications budget category. Chief Walton reported that at tonight's training we will train on how to use the new handheld radios. Station #1 still has a significantly higher electric bill. This could be due in part to the high ceiling and the fact that it is not insulated. The auditor spent 2 days at the office and is now waiting for the county to submit their numbers. He will finalize the written report after he receives those numbers. Commissioner Little moved to approve the financial statement as submitted. Commissioner Melka seconded the motion, which carried with no objection.
- New Annexations: Commissioner Oatman moved to approve the new annexations as submitted. Commissioner Little seconded the motion, which carried with no objection. All Commissioners signed the resolution

Equipment, Facilities, Operations

- Engine 1431 was repaired at General Fire. Captain Aeschliman spent a day in Spokane for that repair. We have received the bar to repair the automatic chains.
- The 700MHz radios will go into effect on May 16th for ESFD. Captain Aeschliman is reviewing the installation information to see if we can install the vehicle radios ourselves.
- The wildland tool order is not complete yet. Chief reported that DOL does have swatters, so we will pay half of what we expected.
- Chief Walton and Captain Munnich took the old tender back to DOL.

- Captain Munnich reported on the Hwy 97 cleanup. 100% of the road has been completed. Some people ended up doing it alone, but we do have backup people to help and he will make that more clear next year. Some people took their bags to the dumpsters and they didn't need to do that. He had left Easter egg surprises on most of the miles. Next year this will be handled differently. This year was the best pick-up ever
- The Idaho Fire Chiefs Conference begins tomorrow. General Fire will have our new tender at the conference for display.
- Sept. 25th training will be a live propane fire training, paid for by N. Idaho Propane whose insurance company is putting on the training. Other fire agencies are invited.
- We know already that Hauser and Mica will have personnel attending. We will be working on publicity for this training.
- Following today's meeting officers will hold their annual budget wish list meeting. All volunteers have been asked to submit ideas to their captain. We usually go to Carlin Bay, but brought pizza here to cook in the oven instead.
- Barbara Dennis has stepped down as a helper. She will join in activities, but no longer a helper.

Old Business

- ISFCA dues. No one has heard from ISFCA about Commissioner Melka's letter. Discussion. Table this decision until the June meeting.

New Business:

- Commissioner Oatman submitted a request by Marlene to delete an entry in the registry for interest income entered in 2005 in an amount of \$53.23. She said she needs approval from the board to clear this entry from the books. Commissioner Melka moved to remove the entry as suggested. Commissioner Oatman seconded the motion, which carried with no objection.
- Chief Walton will be attending the public hearing on impact Fees. Commissioner Little said he will also be attending.
- The next meeting of the East Side Fire Protection District Commissioners will be at 10AM on June 9, 2010
- Commissioner Little moved to adjourn the meeting. Commissioner Oatman seconded the motion and the meeting was closed at 1045.
