IDAHO COUNTY COMMISSIONERS' ORDER FOR ANNEXATION OR DE-ANNEXATION

We, the Board of Idaho County Commissioners, have reviewed the petition from the Grangeville Rural Fire Protection District for the annexation of the attached property. Pursuant to Idaho Code 31-1411, a public hearing was held on October 25, 2016 at 7 pm, at which time the Fire Protection District Commissioners entertained public comment and after having given full consideration to the matter, unanimously approved the petition at the November 14, 2016 meeting.

Further, the Board of Commissioners of the Grangeville Rural Fire Protection District certified the results of said hearing in the form of an Order containing the legal description of the property to be annexed, as well as the property to be de-annexed, a copy of which is attached.

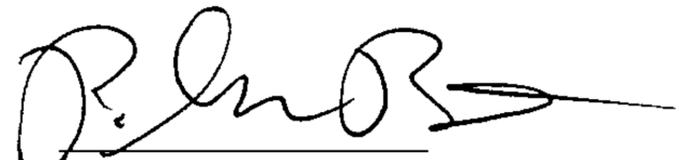

It appears that the Grangeville Rural Fire Protection District has complied with all requirements of the law for annexation of the described real property.

THEREFORE, the Board of Idaho County Commissioners, State of Idaho, order and declare that the property described in the attached Order be annexed into the Grangeville Rural Fire Protection District and that the boundaries of said district be amended so as to include the real property described.

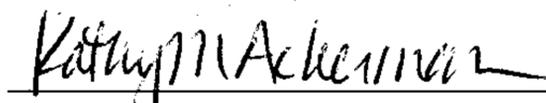

Dated this 22nd day of November, 2016.

To: Board of Idaho County Commissioners
From: Board of Commissioners, Grangeville Rural Protection Fire District
Date: November 14, 2016

This is to certify that the Board of Commissioners of the Grangeville Rural Fire Protection District were served with petitions requesting the addition and annexation or de-annexation of the below described territories to the Grangeville Rural Fire District. The Board of Grangeville Rural Fire Protection District commissioners has determined that these territories are adjoining the present boundary of the present district and are therefore subject to annexation. These petitions were accepted by the Board of Commissioners of the Grangeville Rural Fire Protection District, and according to the regulations in section 31-1411 of the Idaho Code, a public hearing was held at 7 p.m., October 25, 2016; with said hearing advertised in the October 19, 2016 issue of the Idaho County Free Press. No persons appeared at this public hearing objecting to the annexation or de-annexation of the described properties by the Grangeville Rural Fire Protection District.

As there was no objection to the annexation or de-annexation of these properties, the Board of Commissioners of the Grangeville Rural Fire Protection District at the November 14, 2016 meeting have hereby ordered that the following described real properties and their improvements be annexed or de-annexed by the Grangeville Rural Fire Protection District, and that these territories shall now become part of the Grangeville Rural Fire Protection District.

The Board of Commissioners of the Grangeville Rural Fire Protection District therefore request that the Idaho County Commissioners enter an order of annexation or de-annexation and cause same to be recorded, so the following described annexed properties shall be included on the tax roles of the Grangeville Rural Fire Protection District for the year 2017.
