

AGB471  
AG-BASE COST VALUE CHART

PROGRAM FUNCTION:

This program prints the Land Base Cost file on summary sheets.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

None

COMMENTS:

None

OUTPUT SUMMARY (or NA):

The report lists the base cost code, value per acre, and value per item.

SPECIAL CONSIDERATIONS:

The report goes to the print spool on hold until it is released and the prompts "Change to forms number SUMM" and "Align the forms" have been responded to from the System Console.
