

DFB020
DF-DEFERRED TAX AND/OR LATE CHARGE DUE SUMMARY

PROGRAM FUNCTION:

This program gives a listing of the deferred taxes and/or late charge due and collected by code area and/or a summary for all code areas, a county breakdown, and a statistical report if requested (taxes only), of the percent of the gross which is cancelled, paid, and due.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

Screen 1:

Tax Year (YYYY)

As of Date (MMDDYYYY)

Tax, Late Charge, or Both (T, P, or B)

 Tax: Detail or Summary (D or S)

 Tax Due Statistics (Y or N)

 Late Charge: Detail or Summary (D or S)

Screen 2:

Limits

COMMENTS:

If a date is not entered in prompt #02, the program will default to the current date.

OUTPUT SUMMARY (or NA):

The detail report lists the total number of accounts, number of certified accounts and number of outstanding accounts for each code area. The detail report also lists the following columns by taxing district for each code area: gross due, less certified, less cancellations, less paid, and net due. Columns are totaled.

The summary report lists the following columns by taxing district for all code areas: gross due, less certified, less cancellations, less paid, and net due. Columns are totaled.

SPECIAL CONSIDERATIONS:

None
