For any federal deductions claimed under the 'catch-up' provision for Research & Experimentation (R&E) deductions that are required to be amortized for Idaho, add back the amount of federal R&E deductions that exceed the Idaho amortized amount for the current year.

If you previously fully expensed R&E expenses on your federal return that were required to be amortized for Idaho purposes, subtract the amount that would be amortized for the current year.

Line 56 Tax Reimbursement Incentive Credit

Enter the total credit allowed from the *Idaho Reimbursement Incentive Certificate*. Include a copy of the certificate with the return.

If you claimed a deduction or credit on your federal return for claim of right, complete Idaho Worksheet CR to determine which option benefits you most on your Idaho return.

Refund or Payment Due

Line 59 Penalty and Interest

Penalty and interest are calculated on the tax on line 58 minus the underpayment interest on line 50 and the donation amount on line 51.

Penalty: Idaho law provides penalties for not filing tax returns by the due date, not paying tax due on time, and not prepaying enough on extension returns. For more information or to calculate a penalty, see our *Penalties and Interest* page at tax.idaho.gov/penalties.

The minimum penalty is \$10.

Interest: We charge interest on the amount of tax due from the due date until paid in full. The rate for 2026 is 6%.

Line 60 Nonrefundable Credit From a Prior Year Return

If you were denied a refund from an overpayment of tax on a prior year return because of the three-year statute of limitations, you may be eligible to take a credit for the amount. See Idaho Form 44 for calculation of your credit and include it with your return.

Line 63 Refund/Apply to 2026

Refund

Enter the amount of your overpayment from line 62 that you want refunded to you. Refunds of less than \$1 won't be issued. You have three years from the

return's due date (not including extensions) to claim a refund. Refunds will be reduced by unpaid Idaho tax liabilities and can be applied to unpaid liabilities owed to other agencies.

The agency or party seizing the refund must send you notice of the action. Questions about a refund seizure should be directed to the agency or party that initiated the claim for seizure.

Apply to 2026

If you're filing an original return, subtract the amount you want to refund from line 62. Any difference will be applied to your 2026 tax and won't be refunded.

Amended Return Only

Complete lines 64 through 67 only if you're filing this return as an amended return.

Line 64 Total Due or Overpayment on This Return

If the total due shown on line 61 is greater than zero, enter the amount on this line as a positive amount.

If line 61 is zero, enter the amount of overpayment from line 62 on this line as a negative amount.

Line 65 Refund from Original Return Plus Additional Refunds

Enter the total refund amount from previous returns for this tax year here as a positive amount.

Line 66 Tax Paid with Original Return Plus Additional Tax Paid

Enter the total due paid from previous returns for this tax year here as a positive amount. Don't include penalty, interest, Form 51 estimated payments, withholding, or unpaid tax.

Line 67 Amended Tax Due or Refund

Add lines 64 and 65, then subtract line 66. A positive amount is your amended tax due. A negative amount is your amended refund.

Signature

An authorized individual must sign the return on behalf of the corporation.

Tax Preparer

Check this box if you paid a tax preparer to complete your return, and you're authorizing the Tax Commission to discuss your return with the paid preparer identified on your return.

You're also authorizing the paid preparer to:

- Give the Tax Commission any information that's missing from your return, and
- Call the Tax Commission for information about the processing of your return or the status of your refund or payments

You're not authorizing the paid preparer to receive any refund check, bind you to anything including any additional tax liability, or otherwise represent you before the Tax Commission. This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you instead of your preparer, leave the box blank.
