**General Instructions**

Complete this form if an investment tax credit (ITC) carryover is included in the current year’s available credit. Once you complete Form 49C, carry the amount to Form 49.

**Carryover Period**

You can carry the credit forward up to the next 14 tax years.

**Application of Credit**

You must use the oldest available credit before you use credit earned in the current year. Property moved from Idaho within the first five years no longer qualifies as ITC property and is subject to recapture.

**Unitary Taxpayers**

Any member of a unitary combined group of corporations can claim the credit carried forward as long as the member who earned the credit is still in the combined group for the year the credit is claimed.

**Conversion of a C Corporation to S Corporation**

The S corporation can claim the credit carryover against the S corporation’s tax on net recognized built-in gains and excess net passive income. The credit isn’t allowed against the tax paid by an S corporation for nonresident shareholders. You should use a separate Form 49C for the credit carryover.

**Use of Other Schedules**

If this form doesn’t allow you to properly reflect the application of carryovers and recapture, provide the information on a separate schedule.

**Specific Instructions**

**Line 1.**

For each year, enter the credit earned in that tax year. Don’t include any carryover amounts.

**Lines 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, 22, 24, 26, and 28.**

For each year, enter the amount of:

- Credit allowed against tax
- Credit you earned that was shared with another member of the unitary group, and
- Credit that passed through to an owner or beneficiary

**Lines 3, 5, 7, 9, 11, 13, 15, 17, 19, 21, 23, 25, 27, 29, and 30.**

For each year, enter the credit recaptured. You must recompute the credit if you disposed of the property or the property ceased to qualify before the end of the 5-year recapture period. This includes 100% of the credit for property used less than a full year.
