

Form 1350U — Worksheet and Return

Idaho Self-Assessed Tobacco Tax

Use Form 1350U to report and pay tobacco tax. Use this form if you're an individual who bought untaxed tobacco products online, over the telephone, through mail-order catalogs, or from other tobacco retailers, and you had the tobacco shipped to you in Idaho. Idaho law defines tobacco products as all tobacco (whether smoked, chewed, or snuffed) *except* cigarettes.

The tobacco tax is 40% of the wholesale sales price of the tobacco, which is the price you paid before any discounts or reductions were made. Cigars are capped at a wholesale sales price of \$1.25 each. All cigars should be reported with a wholesale sales price up to \$1.25 per individual cigar.

You can report single or multiple transactions. If you pay by check, please attach your check to the return. If you pay by credit card, please attach a Form CCV (credit card payment voucher).
