PTE-01 Tax Payment Instructions (Withholding)

Calculate the amount of income tax you must pay to the Idaho State Tax Commission. Multiply the owner's share of Idaho-source distributable income by 6.5%. This includes guaranteed payments reportable to Idaho as Idaho taxable income.

Complete Form PTE-01 with the owner's name as it will be shown on the owner's individual income tax return.

In the Amount Paid box, enter the amount of income tax withheld on the owner's Idaho-source income. Enter the owner's name, address, and Social Security number in the spaces provided.

Grantor trusts and disregarded entities will complete the bottom row and provide the name and Social Security number of the individual reporting the withholding tax.
