## NEW FORMS

Several new Idaho forms are available to claim new credits allowed in 2005 legislation. These are identified in the next section which discusses this legislation.

If you earn or claim business income tax credits or must pay tax from credit recapture, you must now file Form 44, Idaho Business Income Tax Credits and Credit Recapture. This form must be attached to your return.

If you qualify under the Idaho Small Employer Incentive Act of 2005, you must certify that you will meet the tax incentive criteria required by this law. To do this, file Idaho Form 89C, Certification For Idaho's Administrative Facilities Tax

Incentives. You must file this form before you can claim any of the new incentives offered in this Act.

## THE IDAHO SMALL EMPLOYER INCENTIVE ACT OF 2005

For tax years beginning in 2005, the Idaho Small Employer Incentive Act provides tax benefits to taxpayers who certify that they will meet the following tax incentive criteria:

- Invest at least \$500,000 in new headquarters or administrative facilities,
- Hire at least 10 new full-time employees who receive benefits and earn at least \$40,000 annually, and
- Hire at least one new employee for each \$50,000 invested in new headquarters or administrative facilities.

You must meet the tax incentive criteria within the period January 1, 2005 to December 31, 2009 at the project site. The project site must be either a single geographic area located in Idaho, or one or more areas in Idaho if at least 80% of the investment is made at one area. The project site must also be where the majority of the company's administrative services are handled.

If you meet the tax incentive criteria, you will receive a 3.75% investment tax credit, a 2.5% real property improvement income tax credit, additional new jobs tax credit, rebate of 25% of the sales tax paid for headquarters and administrative facilities, and you may be eligible for exemption of all or part of the value of the property constructed.

If you qualify for the incentives above, file the following Idaho forms:

- Form 83 - Idaho Small Employer Investment Tax Credit and related recapture form, Form 83R
- Form 84 - Idaho Small Employer Real Property Improvement Tax Credit and related recapture form, Form 84R, and
- Form 85 - Idaho Small Employer New Jobs Tax Credit and related recapture form, Form 85R

## GENERAL INFORMATION

### AMENDED RETURNS

Use Form 40 or 43 to amend your return. Check the amended return box at the top of the form. Enter the applicable reason(s) for amending, as listed below. Complete the entire form and schedules using the corrected amounts.

1. Federal Audit
2. Net Operating Loss Carryback - Attach Form 56C or a schedule showing the application of the loss.
3. Other - Attach an explanation.

Use Form 40 to amend your Form 40EZ.

If you are amending a Form 40 or 43 for a tax year prior to 2001, complete the appropriate Form 40 or 43 for that year and write the words "Amended Return" at the top of the return. Attach an explanation.

### AMERICAN INDIANS

If you are an enrolled member of a federally recognized tribe and live on a reservation, all income received from reservation sources is exempt from Idaho taxation. If you have no other income, you are not required to file.

If you have other income in an amount that meets the federal filing requirement, you must file an Idaho return. For specific instructions, see Form 39R or Form 39NR.

### ATTACHMENTS

Attach legible copies of Form(s) W-2, 1099, and other information forms that show Idaho withholding to the front of your return. A complete copy of your federal return must be attached to Form 40 or Form 43. If you are claiming credit for taxes paid to another state, you must attach Idaho Form 39R or 39NR and a copy of the other state's income tax return. If the credit applies to more than one state, use a separate Form 39R or 39NR for each state.

### AUDITS

An audit is a review of a return to make sure it was prepared according to tax law. You will be contacted if your return is to be audited. The auditor will ask to see your records and compare them with your return. You may present your records yourself or have someone represent you or come with you. Any change to your return will be explained. Question anything you don't understand.

### Federal Audit

If your federal taxable income or tax credits change because of a federal audit, you must send written notice to the Tax Commission within 60 days of the final federal determination. You must include copies of all schedules supplied by the Internal Revenue Service.

If you owe additional Idaho tax and do not send written notice within 60 days, a 5% negligence penalty will be imposed. Interest applies on any tax due.

If the final federal determination results in an Idaho refund, you must file an amended Idaho income tax return with the written notice. See Amended Returns above. If the statute of limitations is closed, you have one year from the date of the final determination to file for the refund.

### BONUS DEPRECIATION

Idaho did not adopt the bonus depreciation provisions in Internal Revenue Code (IRC) Section 168 (the 30% or the 50% additional first-year depreciation). If you are depreciating property for which you claimed the bonus depreciation in the current year or a previous year for federal purposes:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance had not been claimed.

- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- Enter the differences between the Idaho and federal depreciation amounts and gains and losses from sales or exchanges of the property on the applicable bonus depreciation addition and subtraction lines on Form 39R or 39NR.

### COMMUNITY PROPERTY

Because Idaho is a community property state, each resident spouse has a one-half interest in the earnings of the other resident spouse during the portion of the year they were married. If married for only a part of the year, the community income includes ONLY the income earned during the time the couple was married. When filing separate returns, the community income, withholding and deductions of both resident spouses must be divided equally between husband and wife. If you have a written agreement between spouses regarding the separation of assets and income, it must be attached to your tax return.

Idaho law affects your federal return in the same manner. For more details, see federal Publication 555, Federal Tax Information on Community Property. If you were a resident of Idaho for only a portion of the year, Idaho law applies to that portion of the year you were a resident. Income is identified as community or separate income based on the laws of the state in which the recipient is a resident. In the case of real property, the law of the state in which the property is located will apply.

Community property laws do not apply when the spouses have lived apart for the entire year, no part of the income earned by one spouse has been transferred to the other spouse, and the spouses do not file a joint income tax return.

Income, withholding and deductions received or paid after divorce are separate property and must be reported on the return of the person to whom it applies.

If you divorced during 2005 or are filing separately from your spouse, attach a schedule showing how community property income and deductions were divided.

### DECEDENT'S TAX RETURN

If a taxpayer dies before filing his return, the return must be filed by the taxpayer's spouse or personal representative. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If your spouse died in 2005 and you did not remarry in 2005, you can file a joint return. You can also file a joint return if your spouse died in 2006 before filing a 2005 return. A joint return should show your spouse's 2005 income before death and your income for all of 2005. Write "FILING AS SURVIVING SPOUSE" on the line where the decedent would have signed the return. If someone else is the personal representative, he must also sign the return.

If a refund is due, attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Form 1310 is not required when a surviving spouse files a joint return with the decedent or a personal representative files for the decedent.

### ESTIMATED PAYMENTS

Idaho does not require estimated payments for personal income tax. If you wish to make a voluntary estimated payment, file Form 51 with your payment.

### EXTENSION OF TIME FOR FILING

If you cannot file your return by the due date, Idaho allows you an automatic six-month extension of time to file. To avoid paying a penalty, the amount of tax withheld and other payments you have made must be at least 80% of your current year's tax liability or 100% of the total tax reported on your income tax return for the preceding tax year. File Form 51 with your payment.

# GENERAL INFORMATION

Even though an extension gives you additional time in which to file, the tax is due on the original due date of the return. You must pay interest on any tax not paid by the original due date of the return.

## FILING STATUS

Your Idaho filing status must be the same as the filing status used on your federal return. For example, if you file a joint federal return, you must also file a joint Idaho return.

## FILING YOUR RETURN

### When To File

You must file your return and pay any income tax due:

- On or before April 17, 2006, for the calendar year 2005, or
- On or before the 15th day of the fourth month following the close of the fiscal year, if you file on a fiscal year basis.

### Where To File

Mail the return and payment to:

IDAHO STATE TAX COMMISSION  
PO BOX 56  
BOISE ID 83756-0056

## INCOME

An Idaho resident is taxed on all income, including income from outside the state. A nonresident of Idaho is taxed only on income from Idaho sources. An Idaho part-year resident is taxed on all income received while living in Idaho plus any income received from Idaho sources when not living in Idaho.

## GROSS INCOME

Gross income means all income you received in the form of money, goods, property, and services that is not exempt from tax. Gross income is measured before subtracting allowable deductions. Gross income includes, but is not limited to:

- All income from wages, salaries, tips, interest and dividends that is not exempt from tax
- Self-employment income before expenses
- Farm income before expenses
- Rental income before expenses
- Shareholders and partners include their share of the gross income from the S corporation and partnership
- Unemployment compensation
- Certain scholarship and fellowship grants
- Gains derived from sales of property
- Pensions and annuities

Scholarships received by degree candidates that are used for tuition, fees, supplies, books, and equipment required for particular courses are not included in gross income.

## INTEREST

Interest applies on delinquent tax from the original due date of the return until the tax is paid at the rate of 6% per year (rate effective 1-1-2006 to 12-31-2006).

## MILITARY PERSONNEL

Idaho law generally follows federal law regarding which type of military pay (active duty, disability, reserve and retirement) is taxable.

You are a military service member if you are a member of the United States Army, Navy, Marine Corps, Air Force, Coast Guard, or an officer of the Public Health Service detailed for duty with the Army or Navy.

The residency of a qualified service member is presumed to be that member's military home of record.

## NATIONAL GUARD MEMBERS CALLED TO ACTIVE DUTY IN A COMBAT ZONE

Idaho follows federal law and Internal Revenue Code to provide

income tax relief to service members called to active duty and serving in a combat zone. Below is a summary of how these laws affect Idaho National Guard members.

- All tax filing deadlines are extended for at least 180 days after your last day in a combat zone.
- No interest or penalty will accrue for nonpayment of individual income taxes while you are in a combat zone.
- If you are an enlisted soldier or warrant officer, you do not owe tax on military pay received while in a combat zone. If you are a commissioned officer, the monthly exclusion is capped at the highest enlisted pay, plus any hostile fire or imminent danger pay received.
- This federal law does not cover business tax returns, employment taxes, or sales/use tax obligations.
- You must write "COMBAT ZONE" and the date of deployment **in red** on top of the tax return you are filing.

More information is available on our Web site at [tax.idaho.gov](http://tax.idaho.gov), or call us toll free at (800) 972-7660 or 334-7660 in the Boise area.

## Idaho resident on active duty stationed in Idaho

If Idaho was your military home of record and you were on active duty stationed in Idaho, all of your military wages and all nonmilitary income, regardless of the source, are subject to Idaho tax. File Form 40.

## Idaho resident on active duty stationed outside of Idaho

- You joined the armed forces while a resident of Idaho and Idaho is your military home of record; and
- You were on active duty for 120 or more consecutive days; and
- You were stationed outside of Idaho for all or a portion of the year.

All of your income is reportable to Idaho. However, only military wages received while stationed in Idaho and all nonmilitary income, regardless of the source, will be subject to Idaho tax. File Form 43 and check the "Idaho Resident on Active Military Duty" residency status box.

If you joined the armed forces while an Idaho resident and Idaho is your military home of record, you are considered a nonresident if you meet all the requirements for "Special-case Idaho Residents" shown on page 5. As a nonresident, you are required to file an Idaho income tax return if your gross income from Idaho sources exceeds \$2,500.

## Nonresident on active duty stationed in Idaho.

If your military home of record is not Idaho and you were on active duty stationed in Idaho for all or a portion of the year, Idaho does not tax your military income. Nonmilitary income from Idaho sources is subject to Idaho tax. File Form 43 if your gross income from Idaho sources exceeds \$2,500. The instructions for Form 43 begin on page 12.

## NET OPERATING LOSS

A net operating loss is the excess of business deductions (computed with certain modifications) over total gross income in a particular tax year. Use Form 56 to compute your loss and Form 56C, or a schedule showing the application of the loss.

The net operating loss generally must be carried back to the two preceding years. The carryback is limited to a maximum of \$100,000. Any remaining loss may be carried forward until used, but no longer than 20 years.

- You may elect to forego the two-year carryback provision and carry the loss forward up to 20 years.
- This election must be made before the due date, including extensions, of the loss year return and may not be revoked.
- To make the election, check the box on line 13, Form 40, or line 29, Form 43, or attach a copy of the federal net operating loss election, or attach a statement to the loss year tax return

## GENERAL INFORMATION

clearly indicating that you elect to forego the carryback. Include your name, address, Social Security number, and the amount of loss.

### NONRESIDENT ALIENS

Taxpayers who are nonresident aliens for federal purposes and who are required to file an income tax return for Idaho must file using Form 43.

### PAYMENTS

Make your check or money order payable to the Idaho State Tax Commission and attach it to your tax return. Write your Social Security number on your check, cashier's check or money order.

The Idaho State Tax Commission accepts Discover, Mastercard, and Visa credit and debit cards for payment of taxes.

To pay by **credit** card, complete and attach Form CCV, Credit Card Payment Voucher; visit our Web site at [tax.idaho.gov](http://tax.idaho.gov) and click on "Electronic Payments"; or call (800) 972-7660. You may also make credit card payments in person at any Tax Commission office.

To pay by **debit** card, visit our Web site at [tax.idaho.gov](http://tax.idaho.gov) and click on "Electronic Payments". Form CCV may not be used to make a debit card payment.

### PENALTIES

Penalties may be imposed on the tax due as follows:

- 0.5% per month or fraction of a month to a maximum of 25% for failure to pay the tax due (if return is filed)
- 2% per month or fraction of a month for failure to meet the extension criteria (the return must be filed and the taxes paid by the extended due date)
- 5% per month or fraction of a month to a maximum of 25% for failure to file the return timely
- 5% for negligence or disregard of rules
- 10% for substantial understatement of tax
- 50% for filing a false or fraudulent return

The minimum penalty is \$10.

### RECORDKEEPING

You are required by law to keep records that will enable you to prepare a complete and accurate income tax return. Although the law does not require any special form of records, you must retain all receipts, canceled checks, and other evidence to prove amounts claimed as deductions. Keep all supporting records for income or deductions until the statute of limitations for the return expires. Usually this is three years from the due date or the date the return was filed. In property transactions, the basis of new or replacement property may be determined by the basis of the old property. Keep these records as long as they are needed to determine the basis of the original or replacement property.

### REFUNDS WHEN NOT REQUIRED TO FILE

If you are not required to file an Idaho return, no tax is due even if the calculation shows taxable income. If you are filing only to receive a refund of amounts withheld, you do not pay the \$10 permanent building fund tax or receive the grocery credit. Write "NRF" (Not Required to File) on the lines for "Tax from tables or rate schedule" and "Permanent building fund tax."

### REFUND SEIZURE

Under state law, the Tax Commission may retain state income tax refunds to satisfy other outstanding tax debts. The Department of Health and Welfare and the Department of Commerce and Labor may seize all or part of your income tax refund to offset debts you may owe these agencies. Also, refunds may be seized to satisfy bankruptcy claims, sheriffs' garnishments, or debts owed to the Internal Revenue Service. Additionally, the Tax Commission may seize federal income tax refunds to offset Idaho income tax liabilities.

The agency or party seizing the refund is required to send you notice of the action. Questions regarding a refund seizure should be directed to the agency or party that initiated the claim for seizure.

### ROUNDING AMOUNTS

The amounts on your return must be rounded to the whole dollar. An amount less than 50 cents is reduced to the whole dollar. Amounts of 50 cents or more are increased to the next whole dollar.

### RESIDENCY

**Are you a resident, a nonresident, or a part-year resident?**

The following will help you decide:

- You are an Idaho resident, even though you live outside Idaho, if the following are true:
  - You think of Idaho as your permanent home.
  - Idaho is the center of your financial, social, and family life.
  - Idaho is the place you intend to return to when you are away.
- You are also an Idaho resident if the following are true:
  - You maintained a home in Idaho the entire year.
  - You spent more than 270 days in Idaho during the tax year.
- You are a nonresident if your permanent home is outside of Idaho all year.
- You are a part-year resident if you moved into or out of Idaho during the tax year. You are still a full-year resident if:
  - You temporarily moved outside of Idaho, **or**
  - You moved back to Idaho after a temporary absence.

### Special-case Idaho Residents

You are considered a nonresident if **all** of the following are true:

- You are an Idaho resident who lived outside of Idaho for at least 445 days in a 15-month period.
- After satisfying the 15-month period, you spent less than 60 days in Idaho during the year.
- You did not have a personal residence in Idaho for yourself or your family during any part of 2005.
- You did not claim Idaho as your federal tax home.
- You were not employed on the staff of a U.S. senator or representative.
- You did not hold an elective or appointive office of the U.S. Government other than the armed forces or a career appointment in the U.S. Foreign Service.

### SIGNATURES

You must sign your return. Your spouse also must sign if you file a joint return. If your return is prepared by a paid preparer, he must enter his name, address, and identification number. If a taxpayer is deceased or cannot sign his return, an authorized person may sign the return indicating his status or relationship. Write "FILING AS SURVIVING SPOUSE" or "unable to sign" in the signature space. If a taxpayer signs with an "X", his mark must be witnessed.

### TAX PREPARER CONTACT BOX

This box applies only if you paid a tax preparer to complete your return. If you check the box, you are authorizing the Tax Commission to discuss your return with the paid preparer identified on the return.

This authorization is valid for up to 180 days from the date the Tax Commission receives the return. If you want the Tax Commission to contact you rather than your preparer, leave the box blank.

### TAX YEAR AND ACCOUNTING METHOD

The tax year and accounting method used on your Idaho return must match those used on your federal return.

If you cannot be claimed as a dependent on another person's return, you may claim one exemption for yourself. Check the box for "Yourself." If you are married filing a joint return, you can also claim an exemption for your spouse. Check the box for "Spouse." If your spouse died during 2005 and you are filing a joint return, you may claim the exemption for your spouse.

**Line 6c. Other Dependents.** Enter the number of other dependents claimed on your federal return.

**Line 6d. Total Exemptions.** Enter the total number of exemptions. Add lines 6a through 6c.

### LINES 7-8 IDAHO ELECTION CAMPAIGN FUND

The Idaho Legislature established this fund to provide financing for qualified political parties. If you want \$1 of your income tax to go to the Idaho Election Campaign Fund, check the box beside the party of your choice. If you are filing a joint return, your spouse may also designate \$1 to the same party or to a different party. If you check "No specific party," the amount will be divided among the parties by a formula prescribed by law. This will not increase your tax or decrease your refund.

If you are filing an amended return, you must check the same boxes as checked on the original return.

### LINE 9 FEDERAL ADJUSTED GROSS INCOME

Enter the adjusted gross income reported on your federal return: Line 37, Form 1040; Line 21, Form 1040A; or Line 4, Form 1040EZ.

### LINE 13 IDAHO ELECTION TO FOREGO NOL CARRYBACK

Check the box on line 13 if you elect under Section 63-3022(c), Idaho Code, to forego the Idaho carryback period for a net operating loss (NOL). If you check this box, you do not need to attach a separate statement electing to forego the Idaho carryback period.

### TAX COMPUTATION

#### LINE 14a AGE 65 OR OLDER

If you are 65 or older, check the box for "Yourself." If you are filing a joint return and your spouse is 65 or older, check the box for "Spouse." Age is determined as of December 31. However, if your 65th birthday was on January 1, 2006, you may consider yourself 65 on December 31, 2005. The boxes you check must match your federal return.

# FORM 40

**LINE 14b BLIND**

The box for "Yourself" must be checked if the taxpayer is blind. If you are filing a joint return and your spouse is blind, check the box for "Spouse." Blindness is determined as of December 31. The boxes you check must match your federal return.

**LINE 14c CLAIMED DEPENDENT**

If your parents or someone else can claim you as a dependent on their tax return, check this box. You may itemize deductions or use the standard deduction. Complete the worksheet to determine your standard deduction.

**LINES 15-18 ITEMIZED OR STANDARD DEDUCTIONS**

Most people can find their standard deduction by looking at the instructions to the left of line 18, Form 40. However, if you check a box on line 14a or 14b, use the chart below to find your standard deduction. If you check the box on line 14c, use the worksheet to figure your standard deduction. You may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If you or your spouse are nonresident aliens for federal purposes and are not from India, your standard deduction is zero. If you are nonresident aliens from India use the standard deduction indicated for your filing status.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit had not been claimed is allowed as an itemized deduction.

If line 17 is more than line 18, you should use your itemized deductions on line 17. If line 18 is more than line 17, you should use your standard deduction on line 18.

**YOU MUST ITEMIZE** if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you had dual status as a nonresident alien for part of 2005 and during the rest of the year you were a resident alien or a U.S. citizen.

However, you do not have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2005 and you and your spouse agree to be taxed on your combined worldwide income.

**CLAIMED DEPENDENTS.** If someone else can claim you as a dependent, complete the following worksheet.

**STANDARD DEDUCTION WORKSHEET FOR CLAIMED DEPENDENTS**

- 1a. Enter your federal earned income. Earned income includes wages, salaries, tips, other employee compensation, net earnings from self-employment, strike benefits and any disability pay you report as wages. If none, enter -0- .....
- b. Add ..... 250
- c. Add lines 1a and 1b. Enter total here. ....

**STANDARD DEDUCTION CHART FOR PEOPLE AGE 65 OR OLDER OR BLIND**

If someone can claim you (or your spouse if married filing jointly) as a dependent, use the worksheet for dependents.

If your filing status is . . .	and the number of boxes checked on lines 14a & b is _____	then your standard deduction is . . .
Single	1	\$ 6,250

	2	12,000
	3	13,000
	4	14,000
Married Filing Separately	1	\$ 6,000
	2	7,000
	3	8,000
	4	9,000
Head of Household	1	\$ 8,550

  - c. Add lines 5a and 5b. Enter the total here and on line 18. ....

**FEDERAL LIMITATIONS ON ITEMIZED DEDUCTIONS.** Some of your itemized deductions may be phased out if your federal adjusted gross income is more than \$145,950 (\$72,975 if you are married filing separately). Since this figure is the same as the limit on your federal itemized deductions, use the amount computed on the federal Itemized Deductions Worksheet and reported on your federal return.

Since state income or general sales taxes are affected by the limitation, your state income or general sales tax addback (line 16) must be reduced if your itemized deductions are limited. Adjust your state income or general sales tax addback as follows:

1. Itemized deductions after federal limitation (line 10 of the federal itemized Deductions Worksheet) .....
2. Itemized deductions prior to federal limitation (line 3 of federal Itemized Deductions Worksheet) .....
3. Divide line 1 by line 2. Round to the nearest whole percent. (Cannot exceed 100%) ..... %
4. State and local income or general sales taxes reported on federal Schedule A. ....
5. Multiply line 3 by line 4. Enter this amount on line 16. ....

## LINE 20 EXEMPTIONS

Multiply \$3,200 by the total number of exemptions entered on line 6d. If your federal adjusted gross income on line 9 is more than the amount shown below for your filing status, use the amount allowed on your federal Form 1040, line 42.

- \$109,475 Married filing separate return
- \$218,950 Married filing joint return or qualifying widow(er)
- \$145,950 Single
- \$182,450 Head of household

- If the return is filed on or before the extended due date but the tax is paid after the extended due date, a 2% per month extension penalty will be computed on tax due from the due date of the return to the date the return is filed, plus a 0.5% per month late payment penalty will be computed on tax due from the date the return is filed to the date the tax is paid.
- If both the return is filed and the tax is paid after the extended due date, a 5% per month late filing penalty will be computed on tax due from the original due date of the return to the earlier of the date the return is filed or the date tax is paid.

The minimum penalty is \$10. The maximum penalty is 25% of tax due.

## RESIDENCY STATUS

Check the box that applies to your residency status for 2005. If you are married and filing a joint return, check the box that applies to your spouse's residency for 2005. # FORM 43

**LINE 35c CLAIMED DEPENDENT**

If your parents or someone else can claim you as a dependent on their tax return, check this box.

**LINE 36-39 ITEMIZED OR STANDARD DEDUCTIONS**

Most people can find their standard deduction by looking at the instructions to the left of line 39, Form 43. However, if you check the box on line 35a or 35b, use the chart to find your standard deduction. If you check the box on line 35c, use the worksheet to figure your standard deduction. You may use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see YOU MUST ITEMIZE.)

If you or your spouse are nonresident aliens for federal purposes and are not from India, your standard deduction is zero. If you are nonresident aliens from India use the standard deduction indicated for your filing status.

Your itemized deductions are the same as those used on your federal Form 1040. Idaho requires that all state or local income or general sales taxes shown on Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this addback, it may be more beneficial to itemize for federal purposes, but use the standard deduction for Idaho.

If an itemized deduction allowable for federal income tax purposes is reduced for the mortgage interest credit or the foreign tax credit, the amount that would have been allowed if the federal credit had not been claimed is allowed as an itemized deduction.

If line 38 is more than line 39, you should use your itemized deductions on line 38. If line 39 is more than line 38, you should use your standard deduction on line 39.

**YOU MUST ITEMIZE** if you are married, filing a separate return (filing status 3) and your spouse itemizes. You must itemize if you were a nonresident alien for any part of 2005. However, you do not have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2005 and you and your spouse agree to be taxed on your combined worldwide income.

**CLAIMED DEPENDENTS.** If someone else can claim you as a dependent and you are claiming the standard deduction, complete the following worksheet.

**STANDARD DEDUCTION WORKSHEET FOR CLAIMED DEPENDENTS**

- 1a. Enter your federal earned income. Earned income includes wages, salaries, tips, other employee compensation, net earnings from self-employment, strike benefits and any disability pay you report as wages. If none, enter -0- ..... \_\_\_\_\_
- b. Add ..... 250

- 2. Minimum amount ..... 800
- 3. Compare the amounts on lines 1c and 2. Enter the larger of the two amounts here. .... \_\_\_\_\_
- 4. Enter on line 4 the amount shown below for your filing status:
  - Single, enter \$5,000.
  - Married filing a separate return, enter \$5,000.

- b. If 65 or older or blind, multiply \$1,250 (\$1,000 if married filing a joint or separate return, or qualifying widow(er) with dependent child) by the number of boxes checked on lines 35a and b. .... \_\_\_\_\_
- c. Add lines 5a and 5b. Enter the total here and on line 39. .... \_\_\_\_\_

**FEDERAL LIMITATIONS ON ITEMIZED DEDUCTIONS.** Some of your itemized deductions may be phased out if your federal adjusted gross income is more than \$145,950 (\$72,975 if you are married filing separately). Since this figure is the same as the limit on your federal itemized deductions, use the amount computed on the federal Itemized Deductions Worksheet and reported on your federal return.

Since state income or general sales taxes are affected by the limitation, your state income or general sales tax addback (line 37) must be reduced if your itemized deductions are limited. Adjust your state income or general sales tax addback as follows:

- 1. Itemized deductions after federal limitation (line 10 of the federal Itemized Deductions Worksheet) ..... \_\_\_\_\_
- 2. Itemized deductions prior to federal limitation (line 3 of federal Itemized Deductions Worksheet) ..... \_\_\_\_\_
- 3. Divide line 1 by line 2. Round to the nearest whole percent. (Cannot exceed 100%) ..... %
- 4. State and local income or general sales taxes reported on federal Schedule A. .... \_\_\_\_\_
- 5. Multiply line 3 by line 4. Enter this amount on line 37. .... \_\_\_\_\_

**LINE 40 EXEMPTIONS**

Multiply \$3,200 by the total number of exemptions entered on line 6d. If Column A, line 30 is more than the amount shown below for your filing status, use the amount allowed on your federal Form 1040, line 42.

- \$109,475 Married filing separate return
- \$218,950 Married filing joint return or qualifying widow(er)
- \$145,950 Single
- \$182,450 Head of household

**LINE 42 IDAHO PERCENTAGE**

Divide the amount from line 34, Column B, by the amount from line 34, Column A. Enter the percentage here. You must round to the nearest whole percent. Example: If line 34, Column A, is \$15,000 and line 34, Column B, is \$10,000, you would enter 67% on line 42. The total percentage cannot exceed 100%, or be less than zero percent.

**LINE 45 TAX**

Enter the tax on this line. If line 44 is less than \$100,000, use the tax tables on page 34. If line 44 is \$100,000 or more, use the schedules on page 45. Be sure you use the correct column in the tax table or the correct schedule for your filing status. See the example at the beginning of the tax tables.

Complete Form 39NR, Part E and attach it to your return. If the home was maintained for the family member for less than a full year, the tax credit is allowed at the rate of \$8.33 per month per person. You may claim this credit even if your gross income is less than the filing requirement.

- Pay by the original due date at least 80% of the tax due on the return or 100% of the total tax reported last year, and
- File the return and pay the tax due by the extended due date.

If you pay at least 80% of the tax due on the return or 100% of the total tax reported last year by the original due date, but fail to file the return or pay the remaining tax by the extended due date the following penalties will apply:

- If the return is filed on or before the extended due date, a 0.5% per month late payment penalty will be computed on tax due from the extended due date to date of payment, or
- If the return is filed after the extended due date, a 5% per month late filing penalty will be computed on tax due from the original due date to the date the return is filed.

If you do not pay at least 80% of the tax due on the return or 100% of the total tax reported last year by the original due date the following penalties will apply:

- If the return is filed by the original due date, a 0.5% per month late payment penalty will be computed on tax due from the original due date of the return to the date of payment.
- If the return is filed on or before the extended due date and the tax is paid on or before the extended due date, a 2% per month extension penalty will be computed on tax due from the original due date to the earlier of the date the tax is paid or date return is filed, plus a 0.5% per month late payment penalty will be computed on tax due from the date the return is filed to the date the tax is paid, if the tax is paid after the return is filed.
- If the return is filed on or before the extended due date but the tax is paid after the extended due date, a 2% per month extension penalty will be computed on tax due from the due date of the return to the date the return is filed, plus a 0.5% per month late payment penalty will be computed on tax due from the date the return is filed to the date the tax is paid.
- If both the return is filed and the tax is paid after the extended due date, a 5% per month late filing penalty will be computed on tax due from the original due date of the return to the earlier of the date the return is filed or the date tax is paid.

The minimum penalty is \$10. The maximum penalty is 25% of tax due.

## PART A. ADDITIONS

### LINE 1 FEDERAL NET OPERATING LOSS CARRYOVER

Generally the allowable federal net operating loss carryover is not the same amount allowed on the Idaho return. Therefore, you must enter on line 1 any net operating loss carryover included on your federal return. The allowable Idaho net operating loss carryover will then be claimed as a subtraction on line 1, Part B.

### LINE 2 CAPITAL LOSS CARRYOVER

Enter on line 2 any capital loss claimed on your federal return (Schedule D) incurred before you became a resident of Idaho, or capital losses from activities that were not taxable by Idaho.

### LINE 3 NON-IDAHO STATE AND LOCAL BOND INTEREST AND DIVIDENDS

Enter the amount of interest and dividends you received from municipal bonds of other state governments, including their counties or cities, or from obligations of any foreign country. This income is not reported on your federal return.

### LINE 4 IDAHO COLLEGE SAVINGS ACCOUNT WITHDRAWAL

If you make a nonqualified withdrawal from an Idaho college savings account, enter the amount withdrawn less any amounts reported on your federal Form 1040.

### LINE 5 BONUS DEPRECIATION

If you are depreciating property for which you claimed the bonus depreciation in the current year or a previous year for federal purposes:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance had not been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- Enter the differences between the Idaho and federal depreciation amounts and gains and losses from sales or exchanges of the property on the applicable new bonus depreciation addition, line 5 or subtraction, line 20.

If the federal depreciation (including gains and losses) is more than the Idaho depreciation (including Idaho gains and losses), include the difference as an addition on line 5.

### LINE 6 OTHER ADDITIONS

#### RETIREMENT PLAN LUMP-SUM DISTRIBUTIONS

Enter the taxable amount of a lump-sum distribution from a retirement plan reported on federal Form 4972. The amount subject to Idaho tax includes the ordinary income portion and the amount eligible for the federal capital gain election.

#### PARTNER AND SHAREHOLDER ADDITIONS

Partners and shareholders must include their share of the Idaho additions to partnership and S corporation income not included on the federal Schedule K-1. This information is available from the preparer of the partnership or S corporation return. For example: Interest income from other state governments not taxable for federal purposes is not included on a federal Schedule K-1. The partner or shareholder must report that interest income here.

#### IDAHO MEDICAL SAVINGS ACCOUNT WITHDRAWALS

If you withdraw funds from an Idaho medical savings account and do not use the funds to pay eligible medical expenses, the withdrawal is subject to Idaho tax. Report this amount as an other addition. Eligible medical expenses include medical, vision and dental care, medical insurance premiums, and long-term care expenses.

If you make a withdrawal that is subject to tax and you are under age 59 1/2, the withdrawal is subject to penalty. The penalty is 10% of the amount withdrawn. Report the penalty on line 48, Form 40, and check the box for an ineligible withdrawal.

#### EDUCATOR EXPENSES

If you are claiming the deduction up to \$250 for educators for out-of-pocket expenses allowed by the Internal Revenue Code, report this amount as an other addition.

## PART B. SUBTRACTIONS

### LINE 1 IDAHO NET OPERATING LOSS CARRYOVER AND CARRYBACK

Enter the Idaho net operating loss carryover. Attach Form 56C or a schedule showing the application of the loss.

If this is an amended return to claim a net operating loss (NOL) carryback, enter the amount of the NOL carryback. Attach Form 56C or a schedule showing the application of the loss.

Enter the total of the NOL carryover and carryback amounts.

### LINE 2 STATE INCOME TAX REFUND

### LINE 3 INTEREST FROM U.S. GOVERNMENT OBLIGATIONS

Interest income you received from obligations of the U.S. Government is not subject to the Idaho tax. Deduct any U.S. Government interest included in federal adjusted gross income, line 9, Form 40. Examples of obligations of the U.S. Government include but are not limited to:

- Banks for Cooperatives
- Federal Farm Credit Banks
- Federal Financing Bank
- Federal Homeowners Loan Bank
- Federal Intermediate Credit Bank
- Federal Land Bank
- Guam
- Puerto Rico

Interest income received from the Federal National Mortgage Association (FNMA) and the Government National Mortgage Association (GNMA) is not paid by the U.S. Government and is subject to Idaho income tax.

If you have interest income from a mutual fund that invests in both non-exempt securities and exempt U.S. government securities, you may deduct the portion of the interest that is attributable to direct U.S. government obligations. This amount must be identified by the mutual fund to be deductible.

### LINE 4 INSULATION OF AN IDAHO RESIDENCE

To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and may not be a replacement.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

# FORM 39R

Insulated siding does not qualify unless the cost of the siding and the insulating material is separately stated, in which case the cost of the insulating material alone qualifies. The amount charged for labor to install the insulation is also deductible.

## LINE 5 ALTERNATIVE ENERGY DEVICE DEDUCTION

If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid). Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, or produce electrical power, or any combination
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system
- a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA) certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that does not meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit, the EPA-certified wood stove, or pellet stove must be installed the same tax year that the nonqualifying wood stove is turned in to the DEQ.

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.

In the next three years after installation, you can deduct 20% of these costs per year, but not more than \$5,000 in any year.

**Lines a - d** Complete the line(s) that apply to the year you acquired the device(s). For example, if your device was acquired in 2002, complete line d. Enter the type of device and total cost. Multiply the total cost by the appropriate percentage.

**Line 5e** Total your deduction on line 5e.

## LINE 6 CHILD AND DEPENDENT CARE

If you were able to claim the federal Credit for Child and Dependent Care Expenses, you are allowed an Idaho deduction for the child care expenses you paid for the care of your dependents. The Idaho deduction is a different amount than the federal credit.

Complete this worksheet to determine your Idaho child or dependent care deduction. Refer to federal Form 2441 or Form 1040A, Schedule 2, to determine amounts to enter on lines 1 through 6.

## LINE 7 SOCIAL SECURITY AND RAILROAD BENEFITS

Idaho does not tax Social Security benefits, benefits paid by the Railroad Retirement Board or Canadian Social Security benefits (OAS or CPP) that are taxable on your federal return.

Exempt payments from the Railroad Retirement Board include:

- Retirement, supplemental, and disability annuities.
- Unemployment and sickness benefits.

Enter the taxable amount of Social Security benefits shown on your federal Form 1040, line 20b, or Form 1040A, line 14b. Do not enter the amount reported on line 20a, Form 1040, or line 14a, Form 1040A.

Enter the taxable amount of railroad benefits shown on your federal Form 1040, lines 16b, or Form 1040A, line 12b. Do not enter the amount reported on line 16a, Form 1040, or line 12a, Form 1040A.

If subtracting benefits from the Railroad Retirement Board, attach Form RRB-1099 or RRB-1099-R.

Disability pension paid by the Federal Railroad Retirement Act may be included on line 7 of Form 1040 as wages, if you are under the minimum retirement age.

## LINE 8 RETIREMENT BENEFITS DEDUCTION

If you are age 65 or older, or if you are disabled and age 62 or older, you may be able to deduct some of the retirement benefits and annuities you receive. You cannot claim this deduction if you file married filing separate.

**Only** the following are qualified retirement benefits:

- **Civil Service Employees:** Retirement annuities paid by the United States to a retired civil service employee or the unmarried widow of the employee if the recipient is age 65 or older, or disabled and age 62 or older.
- **Idaho Firemen:** Retirement benefits paid from the firemen's retirement fund of the state of Idaho to a retired fireman or the unmarried widow of a retired fireman if the recipient is age 65 or older, or disabled and age 62 or older.
- **Policemen of an Idaho city:** Retirement benefits paid from the policemen's retirement fund of a city within Idaho to a retired policeman or the unmarried widow of a retired policeman if the recipient is age 65 or older, or disabled and age 62 or older.
- **Servicemen:** Retirement benefits paid by the United States to a retired member of the U.S. military service or the unmarried widow of such member if the recipient is age 65 or older, or disabled and age 62 or older.

The amount deducted must be reduced by retirement benefits paid under the Federal Social Security Act and the Federal Railroad Retirement Act received by you and your spouse.

Disability pension paid by the Federal Railroad Retirement Act may not be included in Box 5 of your Form RRB-1099, if you are under the minimum retirement age. Instead it may be included on line 7 of Form 1040 as wages.

The maximum amounts that may be deducted for 2005 are:

### Married filing jointly:

- age 65 or older ..... \$34,902
- age 62 or older and disabled ..... \$34,902

### Single:

## LINE 9 TECHNOLOGICAL EQUIPMENT DONATION

Enter the fair market value of technological equipment donated to a public elementary or secondary school, public or private college or university, public library, or library district located in Idaho. Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted may not reduce Idaho taxable income to less than zero. Any unused deduction cannot be carried to another year.

## LINE 10 IDAHO CAPITAL GAINS DEDUCTION

If you had capital gain net income from the sale of qualified Idaho property described below, you may be able to deduct 60% of the capital gain net income reported on federal Schedule D.

- (a) Real property held for at least 12 months, or

- (d) Timber held for at least 24 months.

**NOTE:** Gains from the sale of stocks and other intangibles do not qualify.

Complete Idaho Form CG to compute your capital gains deduction.

## LINE 11 ADOPTION EXPENSES

If you adopt a child, you may deduct the expenses incurred in the adoption. You may claim legal and medical expenses incurred up to a maximum of \$3,000 per adoption. Travel expenses do not qualify. If the expenses are incurred in two or more years, deduct the costs in the year paid until the \$3,000 limit has been met. The expenses related to an unsuccessful attempt to adopt are not deductible. If expenses were claimed in a year prior to such a determination, file an amended return to add back any deduction claimed for the unsuccessful attempt.

## LINE 12 IDAHO MEDICAL SAVINGS ACCOUNT CONTRIBUTIONS AND INTEREST

You may contribute up to \$2,000 (\$4,000 if married filing a joint return) to an Idaho medical savings account and deduct the contribution. Deductible contributions do not include reimbursements that were redeposited into your Idaho medical savings account. Do not include amounts deducted on line 36, federal Form 1040.

An Idaho medical savings account is generally established with a bank, savings and loan, or credit union. The account is established to pay eligible medical expenses of the account holder and the account holder's dependents.

Interest earned on the account is included on line 12, but only if included on line 9, Form 40. Add your qualifying contributions to the interest earned on the account. Enter the name of the financial institution and your account number in the spaces provided.

## LINE 13 IDAHO COLLEGE SAVINGS PROGRAM

You may contribute up to \$4,000 (\$8,000 if married filing a joint return) per year to a qualified Idaho college savings program and deduct the contribution. The account must be established with TIAA-CREF Tuition Financing, Inc. The account owner and beneficiary will be designated at the time the account is established. The account owner will have the right to make withdrawals for payment of higher education expenses for the beneficiary. The person that withdraws the funds must report the withdrawal amounts as income in accordance with Internal Revenue Code Section 529.

Additional information can be obtained at [idsaves.org](http://idsaves.org) or by calling (866) 433-2533.

## LINE 14 MAINTAINING A HOME FOR AGED AND/OR DEVELOPMENTALLY DISABLED

You may deduct \$1,000 for each family member, not including yourself or your spouse, who is age 65 or older and for whom you maintain a household and provide more than one-half of his support for the year.

You may deduct \$1,000 for each family member, including yourself and your spouse, who is developmentally disabled and for whom you maintain a household and provide more than one-half of his support for the year.

No more than three deductions of \$1,000 are allowed. If you claim this deduction, you cannot claim the \$100 credit in Part E.

Developmental disability means a chronic disability that:

1. Is attributable to an impairment such as:
  - Mental retardation
  - Cerebral palsy
  - Epilepsy
  - Autism
  - Other condition found to be closely related to, or similar to, one of these impairments; and
2. Results in substantial functional limitation in three or more of the following areas of life activity:
  - Self-care
  - Receptive and expressive language
  - Learning
  - Mobility
  - Self-direction
  - Capacity for independent living

3. Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and individually planned and coordinated.

If the home was maintained for the family member for less than a full year, the deduction is allowed at the rate of \$83.33 for each month the home was maintained.

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information on dependents.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. ## LINE 15 IDAHO LOTTERY WINNINGS

## LINE 16 INCOME EARNED ON A RESERVATION BY AN AMERICAN INDIAN

American Indians who are enrolled members of a federally recognized tribe and who live and work on a reservation may deduct all income received from reservation sources if the income is included on line 9, Form 40. Income earned off the reservation cannot be deducted, nor can income earned on the reservation if you live off the reservation.

## LINE 17 HEALTH INSURANCE PREMIUMS

Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums have not already been deducted or excluded from your income.

If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet below, to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

## IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they cannot be deducted a second time.

## SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement cannot be included in the Idaho deduction for health insurance costs. For example, if your health insurance payments are deducted from your pay check pre-tax, they do not qualify for the deduction.

## BUSINESS DEDUCTIONS

Premiums deducted as a business expense cannot be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

## SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employer-required Social Security Medicare A. This is the amount listed as a deduction on almost every federal W-2.

If you voluntarily enroll in Medicare B, or are not covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

## IDAHO STANDARD DEDUCTION

If you do not itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you do not have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

## FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you are not itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

## LINE 18 LONG-TERM CARE INSURANCE

You may deduct the amount you paid in premiums for qualified long-term care insurance that are not otherwise deducted or accounted for. If you claimed a deduction for long-term care insurance on your federal Form 1040, Schedule A, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 17.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least twelve consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. This includes a policy that provides for payment of benefits based upon cognitive impairment or loss of functional capacity.

Qualified long-term care insurance does not include any insurance policy that is offered primarily to provide coverage for:

- Basic Medicare supplement,
- Basic hospital expense,
- Basic medical surgical expense,
- Hospital confinement indemnity,
- Major medical expense,
- Disability income or related asset-protection,

## LINE 20 BONUS DEPRECIATION

If you are depreciating property for which you claimed the bonus depreciation in the current year or a previous year for federal purposes:

- Complete a separate federal Form 4562 or detailed computation for Idaho depreciation purposes as if the special depreciation allowance had not been claimed.
- Compute the Idaho adjusted basis and any gains or losses from the sale or exchange of the property using the Idaho depreciation amounts.
- Enter the differences between the Idaho and federal depreciation amounts and gains and losses from sales or exchanges of the property on the applicable new bonus depreciation addition, line 5 or subtraction, line 20.

If the federal depreciation (including gains and losses) is less than the Idaho depreciation (including gains and losses), include the difference as a subtraction on line 20.

## LINE 21 OTHER SUBTRACTIONS

Identify any other subtraction to which you are entitled and claim the amount on this line. Do not include income earned in another state as a subtraction.

Do not include foreign taxes as a subtraction, since they are claimed as part of the Idaho itemized deduction, if allowable. See the instructions for Itemized or Standard Deductions.

## LINE 22 TOTAL SUBTRACTIONS

Total your subtractions and enter the amount on line 12, Form 40.

## PART C. RETIREMENT BENEFITS DEDUCTION

Complete the worksheet and enter the amount from line 6 on line 8, Part B. See page 20 for qualified retirement benefits.

## PART D. CREDIT FOR INCOME TAX PAID TO OTHER STATES

When the same income is taxed by both Idaho and another state, you may be entitled to a credit for tax paid to the other state. Use this section to compute the credit. You must attach a copy of the other state's income tax return and Idaho Form 39R to your income tax return. If your S corporation or partnership paid income tax to another state, attach a copy of your Schedule K-1. If credit applies to more than one state, use a separate Form 39R for each state.

Examples of income that may be taxed by both Idaho and another state include:

- Wages earned in another state that has an income tax, such as Oregon or Utah, while living in Idaho.
- Income from a business or profession earned in another state that has an income tax, while a resident of Idaho.

**LINE 1** Enter the tax shown on line 22, Form 40.

**LINE 2** Enter the total portion of federal adjusted gross income derived in the other state, modified to reflect Idaho additions and subtractions. In computing the income derived in the other state, you must reverse any adjustments to federal taxable income allowed by the other state that are not applicable to Idaho. If you reported your income derived in the other state by filing an:

- individual return, enter your adjusted gross income from the other state restated to a basis comparable to Idaho adjusted income. For example, if the other state taxes interest received from U.S. obligations, deduct this amount from the other state's adjusted gross income as Idaho does not tax this interest.
- S corporation or partnership composite or group return, enter your pro rata share of the S corporation or partnership income derived in the other state. The corporation's or partnership's income must be restated to a basis comparable to Idaho adjusted income. For example, if the S corporation or partnership deducted state income taxes in computing its income, add this amount to the S corporation or partnership income and recompute your pro rata share as Idaho does not allow this deduction in computing Idaho adjusted income.

**LINE 3** Enter your Idaho adjusted income from line 13, Form 40.

**LINE 4** Divide line 2 by line 3. Round the percentage to the nearest whole number. For example, 45.49% should be entered as 45%; 45.50% should be entered as 46%. The percentage cannot exceed 100%.

**LINE 6** Enter the other state's tax due from its tax table or rate schedule less its income tax credits. If your income derived in the other state was reported on a composite or group return filed by an S corporation or partnership, enter your pro rata share of the tax paid by the S corporation or partnership less your pro rata share of the income tax credits. Income tax credits are those credits that relate to income tax. An example of a credit that is not an income tax credit is a special fuels or gasoline tax credit or refund.

**LINE 7** Your allowable credit for tax paid to other states is the smaller of line 5 or line 6. Enter this amount on line 24 of Form 40.

## PART E. MAINTAINING A HOME FOR A FAMILY MEMBER AGE 65 OR OLDER OR A FAMILY MEMBER WITH A DEVELOPMENTAL DISABILITY

If you did not claim the \$1,000 deduction on line 14 of Part B, you may claim a \$100 credit for maintaining a home for an immediate family member age 65 or over not including yourself or your spouse, or a family member with a developmental disability, including yourself and your spouse. Refer to the instructions for Part B, line 14. If the home was maintained for the family member less than a full year, the credit is allowed at the rate of \$8.33 for each month the home was maintained.

You may claim this credit if your gross income is less than the filing requirement. File Form 40 and attach Form 39R to your return.

Only full-year residents, including Idaho residents on active military duty outside Idaho, may claim this credit.

**LINES 1 and 2** Answer the two questions. If you answer yes to either question, you qualify.

**LINE 3** Enter the name, Social Security number, relationship, and date of birth of your family member(s) for whom you maintain a home and provide more than one-half of their support. If the claim is for a family member with a developmental disability, check the box.

**LINE 4** Enter the total on line 42, Form 40.

Idaho tax. Enter the amount of such wages in column B, line 7, if included on line 9, Form 43.

National Guard or Reserve pay, including annual training pay, generally does not qualify. However, if you were on active duty for a continuous 120 days or more, you may deduct the military pay earned outside of Idaho. The continuous 120 days do not have to be in the same tax year. Your wage and tax statement (W-2) does not show this amount separately and you may have to compute the amount of income earned outside of Idaho. You should see your unit of assignment or use your orders in making this computation. Attach a copy of your worksheet and military orders.

## LINE 8 IDAHO MEDICAL SAVINGS ACCOUNT CONTRIBUTIONS AND INTEREST

Columns A and B: You may contribute up to \$2,000 (\$4,000 if married filing a joint return) to an Idaho medical savings account and deduct the contribution. Deductible contributions do not include reimbursements that were redeposited into your Idaho medical savings account. Do not include amounts deducted on line 36, federal Form 1040.

An Idaho medical savings account is generally established with a bank, savings and loan, or credit union. The account is established to pay eligible medical expenses of the account holder and the account holder's dependents.

Any interest earned on the account is included on line 8, but only if included on line 10 of Form 43. Add your qualifying contributions to the interest earned on the account, and enter the total on line 8.

## LINE 9 IDAHO COLLEGE SAVINGS PROGRAM

You may contribute up to \$4,000 (\$8,000 if married filing a joint return) per year to a qualified Idaho college savings program and deduct the contribution. The expenses related to an unsuccessful attempt to adopt are not deductible. If expenses were claimed in a year prior to the unsuccessful attempt to adopt, file an amended return to add back any deduction claimed for the unsuccessful attempt.

Column B: Enter the amount included in Column A in the proportion that total Idaho income bears to total income from all sources. Complete the following worksheet.

You may deduct \$1,000 for each family member, including yourself and your spouse, who is developmentally disabled and for whom you maintain a household and provide more than one-half of his support for the year.

No more than three deductions of \$1,000 are allowed.

Developmental disability means a chronic disability which:

1. Is attributable to an impairment such as:
  - Mental retardation
  - Cerebral palsy

3. Reflects the need for a combination and sequence of special, interdisciplinary or generic care, treatment or other services which are of lifelong or extended duration and individually planned and coordinated.

If the home was maintained for the family member for less than a full year, the deduction is allowed at the rate of \$83.33 for each month the home was maintained.

A family member is any person who meets the relationship test to be claimed as a dependent on income tax returns. Refer to the federal Form 1040 instructions for more information on dependents.

Maintaining a household means paying more than one-half the expenses incurred for the benefit of all the household's occupants. Social Security benefits are not support provided by you but must be included in the computation of total support provided. Some examples of expenses of maintaining a household include: property taxes, mortgage interest, rent, utility charges, upkeep and repairs, property insurance and food consumed on the premises. ## LINE 14 WORKER'S COMPENSATION INSURANCE

Columns A and B: A self-employed individual may deduct the actual cost of amounts paid for worker's compensation insurance coverage in Idaho, if the cost is not deducted elsewhere.

Do not enter amounts paid for coverage in other states. The amounts entered in Columns A and B must be the same.

## LINE 15 PARTNERS AND SHAREHOLDERS

Column A: Partners and shareholders may deduct their proportional share of the Idaho subtractions from partnership and S corporation income. This information is available from the preparer of the partnership or S corporation return. For example: Interest income from federal obligations is not taxable for Idaho purposes but is included on the federal Schedule K-1. The partner/shareholder may deduct that interest income here.

Column B: Enter your Idaho apportioned share of the Idaho subtractions from partnership and S corporation income.

## LINE 16 INSULATION OF IDAHO RESIDENCE

Columns A and B: You may be able to deduct the amount you paid to install additional insulation in your Idaho residence. To qualify for this deduction, your Idaho home must have existed, been under construction, or had a building permit issued on or before January 1, 1976. The insulation must be in addition to any existing insulation and may not be a replacement, e.g. replacing double pane windows with triple pane windows does not qualify.

Insulation means any material commonly used in the building industry and installed to retard the passage of heat into or out of a building, such as fiberglass, rock wool, weather stripping, double-pane windows, storm doors and storm windows.

Insulated siding does not qualify unless the cost of the siding and the insulating material is separately identified, in which case the cost of the insulating material alone qualifies.

The amount charged for labor to install the insulation is also deductible.

## LINE 17 TECHNOLOGICAL EQUIPMENT DONATION

Columns A and B: Enter the fair market value of technological equipment donated to a public elementary or secondary school, public or private college or university, public library, or library district located in Idaho. Items that qualify for this deduction are limited to computers, computer software, and scientific equipment or apparatus manufactured within five years of the date of donation. The amount deducted may not reduce Idaho taxable income to less than zero. Any unused deduction cannot be carried to another year.

## LINE 18 HEALTH INSURANCE PREMIUMS

Column A: Deduct premiums you paid for health insurance for yourself, your spouse, and your dependents if those premiums have not already been deducted or excluded from your income. If you claimed a deduction for health insurance premiums on your federal Form 1040, Schedule A, use the worksheet below, to calculate the deduction allowed for health insurance premiums. The worksheet follows the priority that itemized deductions first apply to health insurance premiums, then to long-term care insurance.

## IDAHO MEDICAL SAVINGS ACCOUNT

If you take money out of your Idaho medical savings account to pay medical insurance premiums, no deduction is allowed. Since the health insurance costs are already deducted or accounted for, they cannot be deducted a second time.

## SALARY REDUCTION PLANS

Premiums paid through a cafeteria plan or other salary-reduction arrangement cannot be included in the Idaho deduction for health insurance costs. For example, if your health insurance

payments are deducted from your pay check pre-tax, then they do not qualify for the deduction.

## BUSINESS DEDUCTIONS

Premiums deducted as a business expense cannot be included in the Idaho deduction for health insurance costs since these amounts are already deducted.

## SOCIAL SECURITY MEDICARE A AND B

No deduction is allowed for the amount paid for employer-required Social Security Medicare A. This is the amount listed as a deduction on almost every federal W-2.

If you voluntarily enroll in Medicare B, or are not covered under Social Security and voluntarily enroll in Medicare A, the premiums you paid may be deducted.

## IDAHO STANDARD DEDUCTION

If you do not itemize deductions for Idaho income tax purposes, but instead use the Idaho standard deduction, you do not have to reduce your health insurance costs by any amount claimed as a federal itemized deduction.

## FEDERAL ITEMIZED DEDUCTION LIMITATIONS

For federal purposes, the amount of medical expenses allowed as a deduction on the federal Form 1040, Schedule A, is required to be reduced by 7.5% of adjusted gross income. The following worksheet shows how the limitation of the 7.5% of adjusted gross income required for federal purposes, affects the amount of health insurance costs deductible for Idaho purposes.

If you are not itemizing deductions for Idaho, skip lines 1-6 and enter zeros on lines 8, 12, and 13.

**LINE 19 LONG-TERM CARE INSURANCE**

Column A: You may deduct the amount you paid in premiums for qualified long-term care insurance that are not otherwise deducted or accounted for.

Qualified long-term care insurance includes any insurance policy that provides coverage for at least twelve consecutive months for yourself, your spouse, or your dependents for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital. Group and individual annuities and life insurance policies that provide directly or that supplement long-term care insurance qualify. This includes a policy that provides for payment of benefits based upon cognitive impairment or loss of functional capacity.

Qualified long-term care insurance does not include any insurance policy that is offered primarily to provide coverage for:

- Basic Medicare supplement,
- Basic hospital expense,
- Basic medical surgical expense,
- Hospital confinement indemnity,
- Major medical expense,
- Disability income or related asset-protection,
- Accident only,
- Specified disease or specified accident, or
- Limited benefit health.

Life insurance policies that accelerate death benefits generally do not qualify.

If you claimed a deduction for long-term care insurance on your federal Form 1040, Schedule A, as an itemized deduction, calculate the long-term care insurance allowed as a deduction by using the worksheet in the instructions for line 18.

Column B: Enter the amount from line 5 of this worksheet.

5. Allowable Idaho deduction. Multiply line 4 by line 3. ....

**LINE 20 ALTERNATIVE ENERGY DEVICE DEDUCTION**

Columns A and B: If you install an alternative energy device in your Idaho residence, you may deduct a portion of the amount actually paid or accrued (billed but not paid).

Qualifying devices include:

- a system using solar radiation, wind or geothermal resource primarily to provide heating or cooling, to produce electrical power, or any combination
- a fluid-to-air heat pump operating on a fluid reservoir heated by solar radiation or geothermal resource but not an air-to-air heat pump unless it uses geothermal resources as part of the system

- a natural gas or propane heating unit that replaces a noncertified wood stove
- an Environmental Protection Agency (EPA)-certified wood stove or pellet stove meeting the most current industry and state standards that replaces a noncertified wood stove

A noncertified wood stove is a wood stove that does not meet the most current EPA standards. The noncertified wood stove must be taken to a site authorized by the Division of Environmental Quality (DEQ) within 30 days from the date of purchase of the qualifying device.

The natural gas or propane heating unit and the EPA-certified wood stove or pellet stove must be installed in the same tax year that the nonqualifying wood stove is turned in to the DEQ.

In the year the device is placed in service, you can deduct 40% of the cost to construct, reconstruct, remodel, install or acquire the device, but not more than \$5,000.
