

## **It's Not Personal, It's Just Business: Trends in Personal Property Taxation – Presentation/Roundtable**

This presentation/roundtable covers the basic nature of personal property, including how it is defined in different jurisdictions, how to identify it based on those definitions, and how those definitions may conflict. It'll cover recent issues involving personal property identification and assessment.

Instructor:	George Brown, Property Tax Division Administrator, Tax Commission
Dates:	Friday, January 13 (a.m.) (10:15 a.m. – 12:15 p.m.)
Location:	Clearwater conference room (The Riverside Hotel)
Hours:	2 hours

**Note:** **This workshop will require a minimum of 10 students**
