OUTPUT SUMMARY (or N/A):

The report lists parcel number, name, ownership code, acres, expiration date, remarks and why the record is eligible for deferred taxes. For example: the deferred tax record has a blank or invalid designation (B or P is valid); or the expiration date is less than or equal to the current date, or the deferred tax record does not have a matching PM record, or the applicable acres do not equal the PM category 7 acres; or the deferred tax field equals 'X'.
