

LDO374
LD-MOVE/COPY

FUNCTION OF ONLINE PROGRAM:

The purpose of this program is to move or copy residential and commercial land from one parcel to another. This is useful when a split occurs or if the inventory was inadvertently placed on the wrong parcel.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

- 01 Would you like to print new appraisals on the "To" numbers? (Y or N)
- 02 If "Y": Would you like to move/copy to "active" or "inactive" members?
"A" for Active "I" for Inactive
(New appraisals can be printed on both)
- 03 Enter "S" for stock paper, "R" for summary sheets

FIELD	LENGTH	DECIMAL POSITIONS	ALPHA (A) or NUMERIC (N)
Copy?	1		A
Move?	1		A
From Parcel	15		A
To Parcel	15		A

EDITS AND EDIT CAUSES:

01 From Parcel Not Found

The 'From' parcel key entered is not in the Parcel Master file.

02 To Parcel Not Found

The 'To' parcel key entered is not in the Parcel Master file.

03 No Land

The 'From' parcel key entered does not have Resid/Comm. land.

04 Move or Copy

An 'X' is needed in either Move or Copy.

05 Only One Option

Only one option - Move or Copy - is allowed.

06 'To' Status Not 'A'

The status of the parcel you are trying to Move or Copy To, does not have an "A" status.

07 'To' Status Not 'I'

The status of the parcel you are trying to Move or Copy To, does not have an "I" status.

09 An Active Parcel Exists

You need to enter this appraisal information on the active parcel.

COMMAND KEY OPTIONS:

CMD 7 End of Job

OUTPUT SUMMARY:

If option 01 was 'Y', AGB457 - Land Appraisal Report will run and generate new appraisals.

SPECIAL CONSIDERATIONS:

When the Move option is selected, the land inventory is taken off the 'From' parcel and put on the 'To' parcel. When the Copy option is selected, the inventory is kept on the 'From' parcel and is also put on the 'To' parcel.

NOTE: If the 'To' parcel already has Land information, the Land information on the 'From' parcel will not be moved or copied. However the inventory will be moved or copied. If the 'To' parcel already has inventory, the inventory on the 'From' parcel will be added to the existing inventory.
