OUTPUT SUMMARY (or NA):

Detailed Paid Report lists: parcel key, bill number, code area, Parcel Master name, payment date, remarks, payor, half, and tax, late charge, interest, and cost paid. Address and legal will print if requested.

Detailed Unpaid Report lists: parcel key, bill number, code area, Parcel Master name, and net tax, late charge, and cost due. Address and legal will also print if requested.

Detailed Cancelled Report lists: parcel key, bill number, code area, Parcel Master name, date cancelled, remarks, payor, half, and tax and late charge cancelled. Address and legal will also print if requested.

Detailed All Report lists: everything printed on the paid, unpaid, and cancelled reports, and who tax was originally billed to (TXSORT).

When requesting this report by code area, the totals are given for each code area.

If you ask for a summary report, you will get totals by code area (if requested) and grand totals.

Prompt responses and limits are also printed.

SPECIAL CONSIDERATIONS:

Transient personal properties are displayed as 1st half or both halves only.
