## DOWNLOAD DATA FOR TAXING SERVICE (TXB053)

The screenshot shows the 'Data Transfer From AS/400 - PC5250\$A.TTO' dialog box. The 'Output PC file' section has three radio buttons: 'Create new file' (selected), 'Overwrite existing file', and 'Append to existing file'. The 'File type' is set to 'ASCII Text'. The 'Translate EBCDIC to' section has 'ANSI' and 'ASCII' options, with 'ASCII' selected. The 'PC file description file' section has a checkbox for 'Save transfer description' which is unchecked. The 'File name' field contains 'FDF'. Callout boxes point to the 'Create new file' radio button and the 'Save transfer description' checkbox.

Click the button 'Create new file'

Click on the check box for 'Save transfer description' to remove the check

Then, click OK

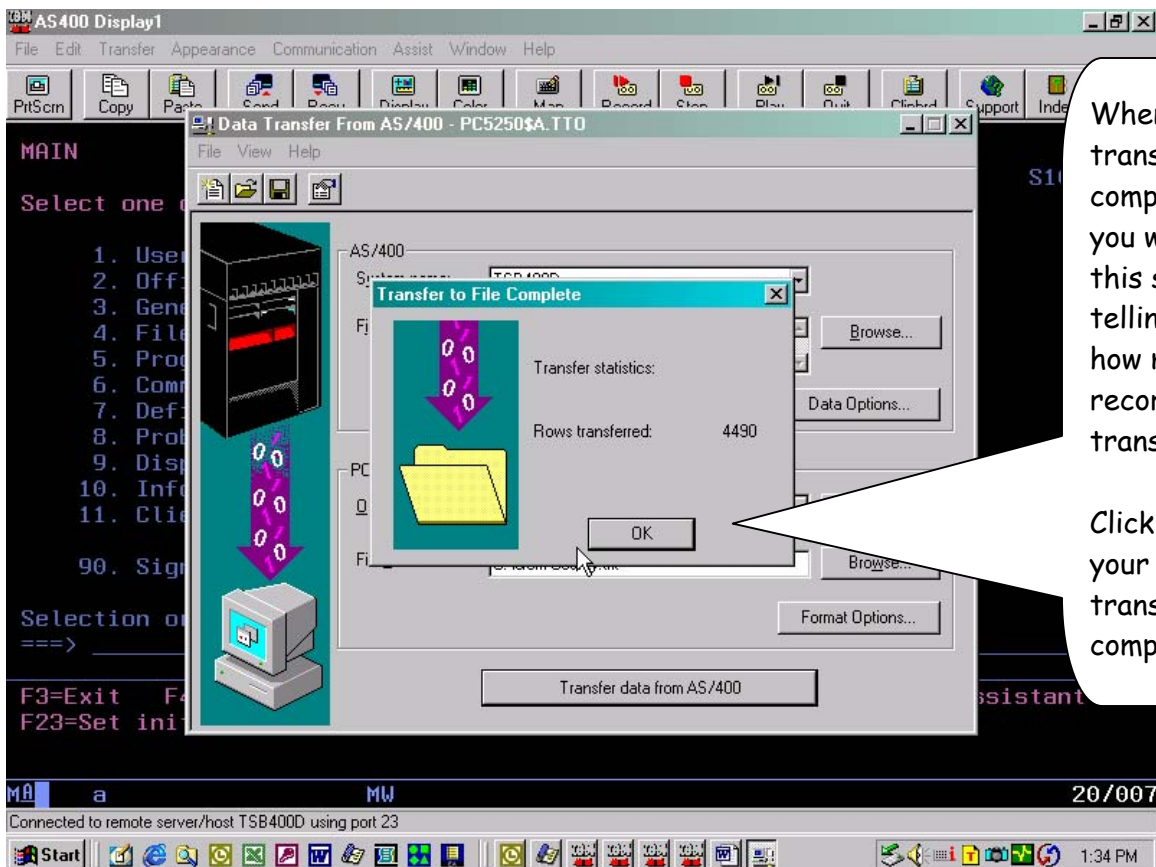

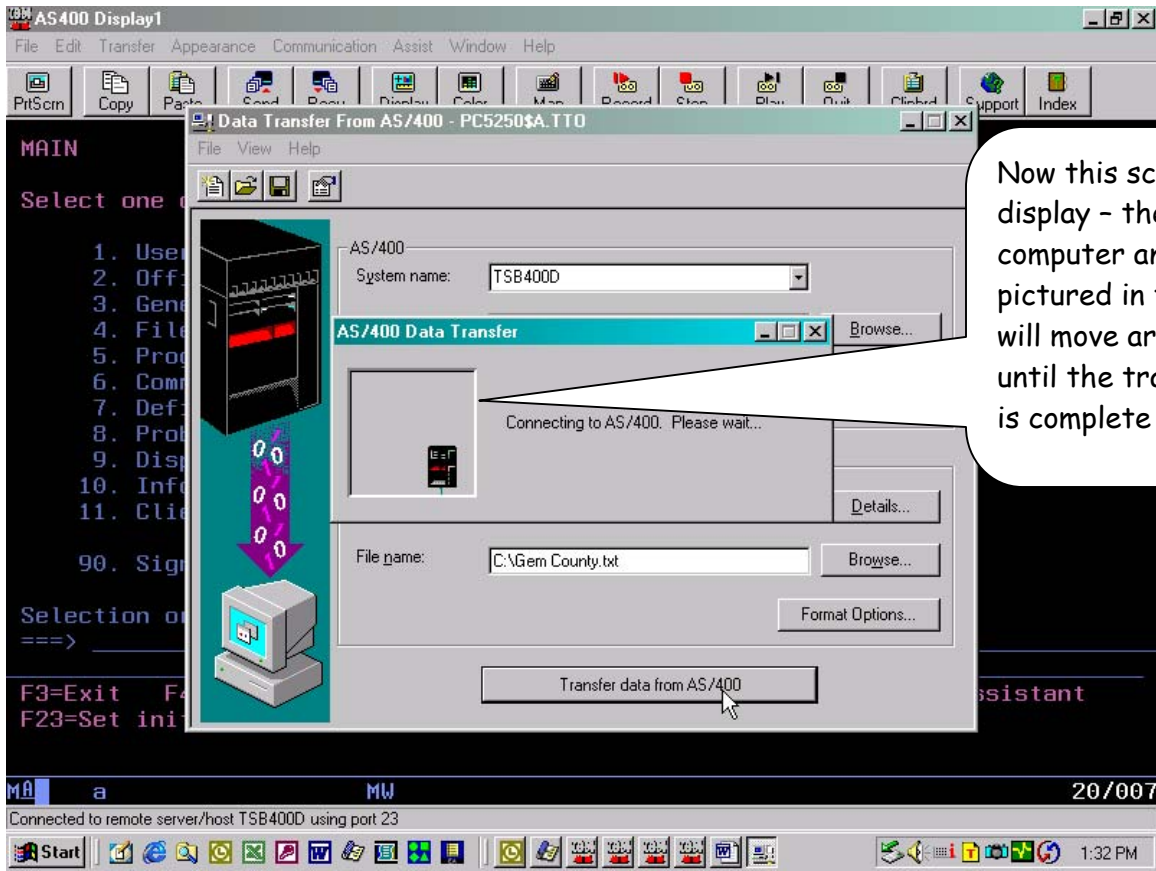

The screenshot shows the 'Data Transfer From AS/400 - PC5250\$A.TTO' dialog box. The 'AS/400' section has 'System name' set to 'TSB400D' and 'File name' set to 'uadfile/taxamt'. The 'PC' section has 'Output device' set to 'File' and 'File name' set to 'C:\Gem County.txt'. A 'Transfer data from AS/400' button is at the bottom. Callout boxes point to the 'File name' field and the 'Transfer data from AS/400' button.

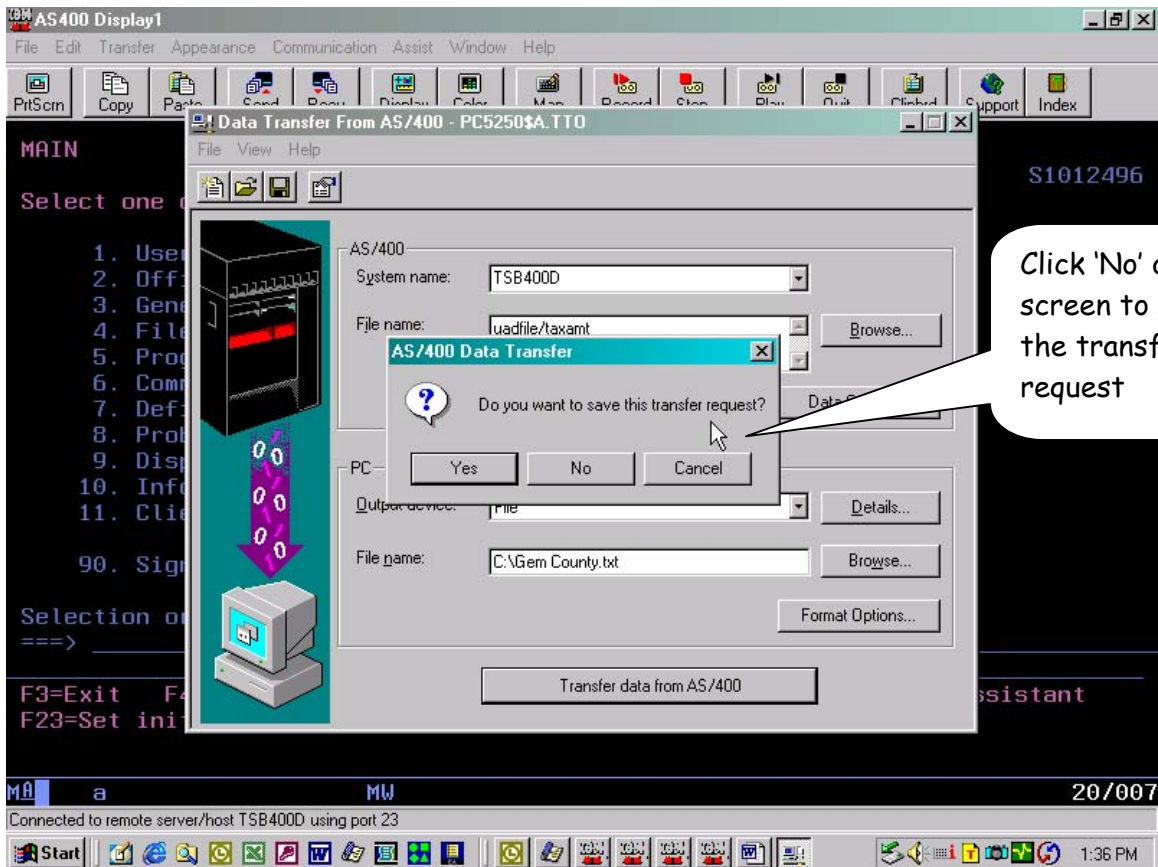

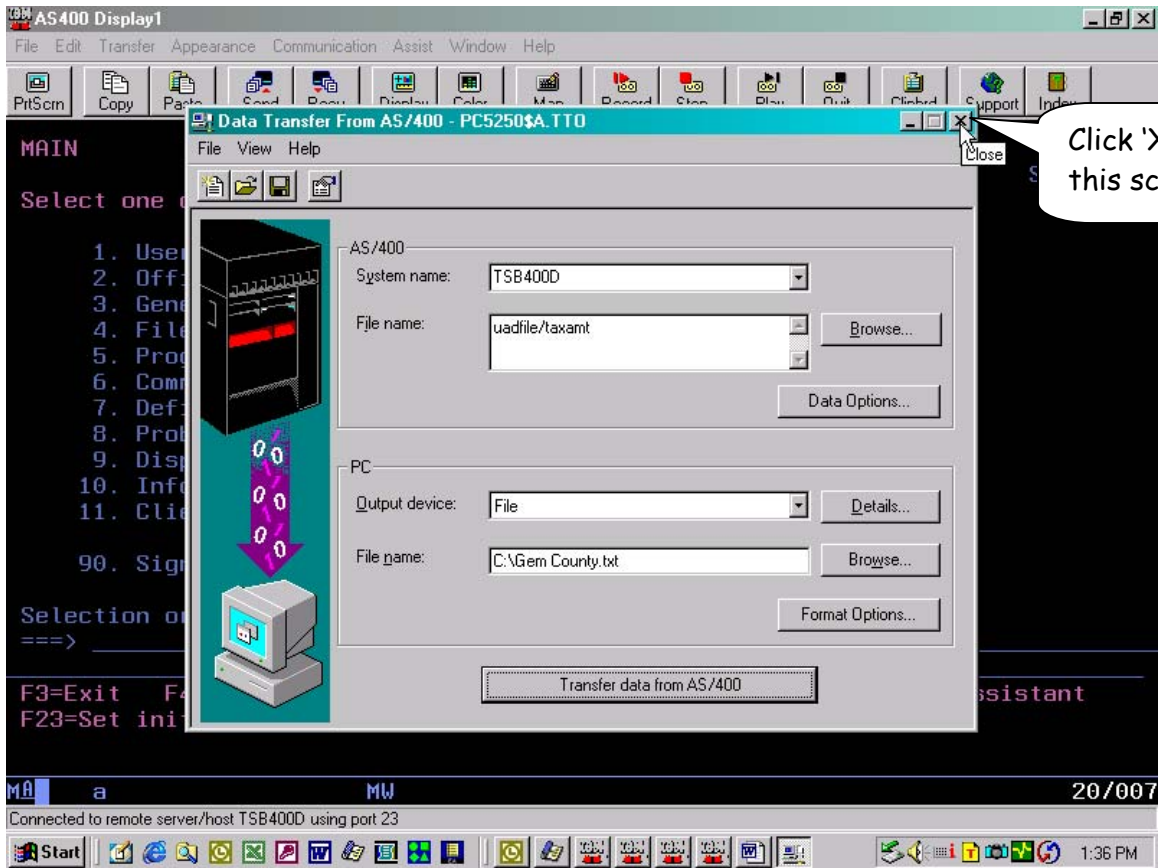

Key in a path for the file you want to create - c:\CountyName.txt

Click on 'Transfer data from AS/400'

Now you just need to send an e-mail to the appropriate person at the Taxing Service that you're dealing with, and attach the file you just created with the download. When you name the file, use your county name (e.g. *Gem County.txt*).

If you have any questions or any problems once you start this process, please contact the Technical Support staff at the Tax Commission.
