

**STATE BOARD OF EQUALIZATION
OPEN MEETING
MINUTES OF MEETING HELD AUGUST 12, 2021**

In attendance: Commissioners Tom Katsilometes, Jeff McCray, Elliot S. Werk, and Janet Moyle; Maria Young, Phil Skinner.

Commissioner Katsilometes, Chairman for the State Board of Equalization, reconvened the State Board of Equalization for 2021 (Board) at 9:00 a.m. August 12, 2021.

Commissioner Katsilometes asked if there is any discussion about the presentations or documentation received to date.

Commissioner Werk noted that because of the trials and tribulations of what has happened with Agricultural Land Values, from his perspective, the Board was a bit remiss over the decades in not working to make sure the agricultural land was assessed properly. It's hard to get information in some counties, but he's seeing too many zero-value changes. His intent is to ask Alan Dornfest to investigate, because he doesn't want us to get into a position where we do the same thing that happened several years ago when there was one county that hadn't been evaluated in 30 years. He just wants to ensure the Board is aware of agricultural land values.

There being no further business, Commissioner Katsilometes recessed the Board until 9:00 a.m. on Wednesday August 13, 2021.
